

# MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 7MM X 40° X 125° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

# Safety Instruction Guide for Modular Headspace Comparator Inserts

## Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read and understand all sections carefully before using the product.

## General Safety Guidelines

- Ensure that you have read and understood all instructions before using the Modular Headspace Comparator Inserts.
- Keep the product out of reach of children and vulnerable individuals.
- Always use the product in a safe and controlled environment.
- Be aware of potential hazards associated with the use of precision measuring tools.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Use the Modular Headspace Comparator Inserts only with the compatible Modular Headspace Comparator Body.
- Avoid using the product if it appears damaged or malfunctioning.
- Handle the inserts with care to prevent injury from sharp edges.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when using the product.
- Do not modify the product in any way, as this may compromise safety and functionality.
- Ensure that the workspace is clean and free of clutter to prevent accidents.

## Instructions for Installation and Usage

### Installation

1. **Acquire the Modular Headspace Comparator Body:** Ensure you have the compatible Modular Headspace Comparator Body, which must be purchased separately.
2. **Inspect the Inserts:** Before installation, check the headspace inserts for any visible damage or defects.
3. **Attach the Inserts:** Align the insert with the Modular Headspace Comparator Body. Securely fasten the insert according to the manufacturer's instructions. Ensure that the insert is properly seated and does not wobble.

### Usage

1. **Prepare the Cartridge:** Ensure the cartridge to be measured is clean and free of obstructions.
2. **Insert the Cartridge:** Place the cartridge into the installed headspace insert.
3. **Take Measurements:** Use the Modular Headspace Comparator to measure the headspace according to the specifications provided. Record measurements accurately for future reference.
4. **Remove the Cartridge:** Carefully remove the cartridge from the insert after measurements are completed.

## Disposal Instructions

- Dispose of any damaged or unusable inserts in accordance with local regulations.
- Do not throw the product in regular household waste; instead, consider recycling options if available.

- Ensure that all components are disposed of safely to prevent any potential hazards.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Modular Headspace Comparator Inserts, please refer to the manufacturer's contact information provided on the product packaging or the official website.

By following these guidelines, you can ensure the safe and effective use of your Modular Headspace Comparator Inserts. Thank you for your attention to safety, and enjoy your product!
