

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 6.5X55 SWED MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Safety Instruction Guide for Modular Headspace Comparator Inserts

Introduction

Thank you for purchasing the Modular Headspace Comparator Inserts from SHORT ACTION CUSTOMS. This guide provides important safety instructions and usage information to ensure your safety and the proper functioning of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the Modular Headspace Comparator Body is used in conjunction with the headspace inserts. The body must be purchased separately.
- Always handle the inserts with care to avoid injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the headspace inserts for any purpose other than intended.
- Regularly inspect the product for any signs of wear or damage before each use.
- In the event of any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Only use the Modular Headspace Comparator Inserts with compatible cartridges, specifically the 6.5 x 55 mm Swedish Mauser.
- Ensure that you are familiar with the proper handling and measurement techniques before using the product.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the comparator inserts.
- Avoid using excessive force when measuring to prevent damage to the inserts or the comparator body.
- Keep the work area clean and free of obstructions to prevent accidents.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials, including the Modular Headspace Comparator Body.
- Ensure a clean and welllit workspace.

2. Installation

- Attach the Modular Headspace Comparator Inserts to the Modular Headspace Comparator Body according to the manufacturer's instructions.
- Ensure that the inserts are securely fastened and properly aligned.

3. Usage

- Insert the cartridge into the comparator body with the headspace insert in place.
- Gently close the comparator to measure the headspace.
- Read the measurement carefully and record it as needed.
- After use, remove the cartridge and clean the inserts to maintain their condition.

4. Cleaning and Maintenance

- Use a soft cloth to clean the headspace inserts after each use.

- Store the inserts in a dry and secure location to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn inserts in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- If you have questions about disposal, please contact your local waste management authority.

Contact Information for Further Support

For any safety inquiries or support regarding the Modular Headspace Comparator Inserts, please refer to the official website or contact the designated support service.

By following these safety instructions, you can ensure the safe and effective use of your Modular Headspace Comparator Inserts. Thank you for your attention to these important guidelines.
