

# MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 7MM X 30° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

# Safety Instruction Guide for Modular Headspace Comparator Inserts

## Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. This guide provides essential safety information and instructions for the proper use of the product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the Modular Headspace Comparator Body is purchased separately and used in conjunction with the inserts.
- Always inspect the inserts for any signs of damage or wear before use. Do not use damaged inserts.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- If you experience any discomfort or adverse reactions while using the product, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Use the Modular Headspace Comparator Inserts only for their intended purpose: measuring cartridge headspace and bullet dimensions.
- Avoid using excessive force when inserting or removing the headspace inserts to prevent damage to the product or injury.
- Ensure that the inserts are securely attached to the Modular Headspace Comparator Body before taking measurements.
- Do not attempt to modify or alter the inserts or the comparator body, as this may compromise safety and accuracy.
- Store the inserts in a safe and dry place to prevent corrosion and damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have the Modular Headspace Comparator Body.
- Select the appropriate headspace insert for your cartridge type (7 mm).
- Align the insert with the comparator body and gently push it into place until it clicks securely.

### 2. Usage:

- Place the cartridge in the comparator body with the headspace insert properly installed.
- Gently close the comparator body to secure the cartridge.
- Take measurements according to the manufacturer's guidelines, ensuring that you do not apply excessive force.
- After use, remove the cartridge and the headspace insert carefully to avoid damage.

## Disposal Instructions

- Dispose of any damaged or worn inserts in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding safety, usage, or product recalls, please refer to the official contact points provided by Short Action Customs or consult the EU Safety Gate platform for updates on product safety.

## Conclusion

By following these safety instructions, you can ensure the effective and safe use of your Modular Headspace Comparator Inserts. Always prioritize safety and compliance with local regulations when using this product. Thank you for your attention to these important guidelines.
