

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 7MM X 20° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Safety Instruction Guide for Modular Headspace Comparator Inserts

Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the Modular Headspace Comparator Body is purchased separately and is compatible with these inserts.
- Always inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose, as described in this guide.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Always wear safety glasses to protect your eyes from particles or debris during use.
 - Use gloves to protect your hands from sharp edges and to ensure a firm grip.
- **Handling:**
 - Handle the inserts with care to avoid injury from sharp edges.
 - Ensure your work area is clean and free from clutter to prevent accidents.
- **Compatibility:**
 - Only use these inserts with the Modular Headspace Comparator Body designed for this purpose.
 - Verify that the cartridge being measured is compatible (e.g., 7mm).
- **Measurement Accuracy:**
 - Ensure that the inserts are properly seated in the comparator body for accurate measurements.
 - Do not force the inserts into the comparator body; this could lead to damage.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Modular Headspace Comparator Body is securely placed on a stable surface.
- Align the headspace insert with the comparator body.
- Gently insert the headspace insert into the comparator body until it is fully seated.

2. Usage:

- Load the cartridge into the comparator body with the insert.
- Take measurements by following the manufacturer's guidelines for the specific cartridge.

- Record measurements accurately for future reference.

3. PostUse:

- After use, carefully remove the headspace insert from the comparator body.
- Clean the insert and body with a soft cloth to remove any debris.
- Store the inserts in a safe, dry location away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or worn inserts in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs for metal materials.

Contact Information for Further Support

For any questions or concerns regarding the Modular Headspace Comparator Inserts, please refer to the product's official website or contact your retailer for assistance.

Thank you for your attention to these safety instructions. Enjoy using your Modular Headspace Comparator Inserts responsibly!
