

# MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 7MM REMINGTON MAGNUM MODULAR HEADSPACE COMPATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

# Safety Instruction Guide for Modular Headspace Comparator Inserts Short Action Customs 7mm Remington Magnum

## Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of your product. Please read this guide carefully before using the inserts.

## General Safety Guidelines

- Ensure that the Modular Headspace Comparator Body is properly purchased and used in conjunction with these inserts.
- Always handle the inserts with care to avoid injury.
- Keep the inserts out of reach of children and vulnerable individuals.
- Inspect the inserts regularly for any signs of damage or wear. Do not use damaged inserts.
- Use the product only for its intended purpose as described in this guide.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the Modular Headspace Comparator.
- Avoid using the inserts in environments with high humidity or corrosive substances.
- Do not force the inserts into the comparator body; they should fit snugly without excessive pressure.
- Ensure that the workspace is clean and free from clutter to prevent accidents.
- If you experience any difficulties during use, stop and consult the instructions or seek assistance.

## Instructions for Installation and Usage

### 1. Installation of Inserts:

- Ensure that the Modular Headspace Comparator Body is clean and free from debris.
- Select the appropriate headspace insert for your cartridge (7mm Remington Magnum).
- Align the insert with the corresponding slot in the comparator body.
- Gently push the insert into place until it is securely seated.

### 2. Using the Comparator:

- Carefully place your cartridge into the comparator with the installed insert.
- Ensure that the cartridge is positioned correctly for accurate measurements.
- Follow the manufacturer's guidelines for taking measurements with the comparator.
- After use, remove the cartridge and clean the inserts and comparator body as needed.

### 3. Storage:

- Store the inserts in a dry, cool place away from direct sunlight.
- Keep the inserts in their original packaging or a protective case to prevent damage.

## Disposal Instructions

- Dispose of any damaged or worn inserts in accordance with local regulations for metal waste.
- Do not dispose of the inserts in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For inquiries regarding safety or usage of the Modular Headspace Comparator Inserts, please refer to the manufacturer's contact information provided with your product.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy using your Modular Headspace Comparator Inserts.
