

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 30 CALIBER X 35° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Safety Instruction Guide for MODULAR HEADSPACE COMPARATOR INSERTS SHORT ACTION CUSTOMS 30 CALIBER X 35° MODULAR HEADSPACE COMPARATOR INSERT

Introduction

Thank you for choosing the Modular Headspace Comparator Inserts by Short Action Customs. These headspace inserts are designed to provide accurate measurements for your cartridges. This guide is designed to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure you read and understand all instructions before using the product.
- Always use the Modular Headspace Comparator Inserts with the compatible Modular Headspace Comparator Body.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the inserts for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and contact support.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Use the inserts only for their intended purpose: measuring cartridge headspace and bullet dimensions.
- Avoid using the inserts with cartridges that exceed the specified limits (up to 338 Lapua Magnum).
- Handle all tools and inserts with care to avoid injury.
- Wear appropriate safety gear, such as safety glasses, when using the Modular Headspace Comparator.
- Ensure that your workspace is clean and free from distractions while measuring.

Instructions for Installation and Usage

1. Installation of the Modular Headspace Comparator Body:

- Purchase the Modular Headspace Comparator Body separately.
- Follow the manufacturer's instructions to securely attach the inserts to the body.
- Ensure that all components are tightly fitted and free from debris.

2. Using the Headspace Inserts:

- Select the appropriate headspace insert for your cartridge.
- Insert the cartridge into the comparator with the headspace insert in place.
- Ensure that the cartridge is seated properly before taking measurements.
- Record your measurements accurately for your reloading process.

3. Maintenance:

- Clean the headspace inserts after each use to prevent corrosion and maintain accuracy.
- Store the inserts in a dry, safe location when not in use.

Disposal Instructions

- Dispose of any damaged or worn inserts responsibly.
- Follow local regulations regarding the disposal of metal products.
- Consider recycling options for stainless steel components.

Contact Information for Further Support

For any safety inquiries or support regarding the Modular Headspace Comparator Inserts, please refer to the manufacturer's website or contact the designated support team.

By following these safety instructions, you can ensure a safe and effective experience with your Modular Headspace Comparator Inserts. Thank you for prioritizing safety and compliance.
