

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 300 NORMA MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Modular Headspace Comparator Inserts Safety Instructions

Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. These inserts are designed to provide precise measurements for cartridge headspace and bullet dimensions. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure that the Modular Headspace Comparator Body is purchased separately and is compatible with the inserts.
- Always handle the inserts with care to avoid injury from sharp edges.
- Keep the inserts out of reach of children and vulnerable individuals.
- Regularly inspect the inserts for any signs of damage or wear before use.
- Follow all instructions for use and maintenance to ensure the safety and longevity of the product.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the Modular Headspace Comparator Inserts only with the designated Modular Headspace Comparator Body.
- Avoid using the inserts with cartridges that exceed the recommended specifications (up to 338 Lapua Magnum).
- Wear safety glasses when measuring to protect your eyes from potential debris.
- Do not modify the inserts or use them for purposes other than intended.
- Ensure that your work area is clean and free of obstructions to prevent accidents during measurement.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the Modular Headspace Comparator Body.
- Align the headspace insert with the Comparator Body.
- Securely attach the insert to the body as per the manufacturer's instructions.

2. Usage:

- Select the appropriate insert for the cartridge you are measuring (in this case, 300 Norma).
- Carefully insert the cartridge into the Comparator Body with the attached insert.
- Take the measurement as directed, ensuring that the cartridge is held securely in place.
- Record the measurement for your reference.

3. Maintenance:

- Clean the inserts after each use with a soft cloth to remove any debris or residue.
- Store the inserts in a dry place to prevent corrosion.
- Inspect the inserts regularly for any signs of damage or wear.

Disposal Instructions

- Dispose of any damaged or worn inserts according to local regulations for metal recycling.
- Do not dispose of the inserts in regular household waste.
- If unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any inquiries or assistance regarding the Modular Headspace Comparator Inserts, please refer to the product's official website or contact the manufacturer directly.

Thank you for your attention to these safety instructions. Enjoy using your Modular Headspace Comparator Inserts with confidence!
