

# MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 30 CALIBER X 40° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

# Safety Instruction Guide for Modular Headspace Comparator Inserts

## Introduction

Congratulations on your purchase of the Modular Headspace Comparator Inserts by Short Action Customs. These inserts are designed to provide precise measurements for cartridge headspace and bullet dimensions. It is essential to follow the safety instructions and guidelines outlined in this document to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the Modular Headspace Comparator Body is used in conjunction with the inserts for safe operation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Modular Headspace Comparator Inserts only with compatible cartridges (30 Caliber / .308).
- Handle all tools and inserts with care to avoid injury.
- Wear appropriate safety gear, such as safety glasses, when using the product.
- Avoid using the product in wet or damp conditions to prevent corrosion.
- Ensure that your workspace is clean and free of any hazards that could lead to accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have the Modular Headspace Comparator Body, as the inserts require it for use.
- Gather all necessary tools and materials before starting.

### 2. Installation:

- Attach the Modular Headspace Comparator Inserts securely to the Comparator Body according to the manufacturer's instructions.
- Ensure that the inserts are properly aligned and locked in place before use.

### 3. Usage:

- Insert the cartridge into the Comparator Body with the attached insert.
- Adjust the comparator as necessary to achieve accurate measurements.
- Record measurements carefully for reference and analysis.

### 4. PostUse Care:

- After use, clean the inserts and Comparator Body to remove any debris or residue.
- Store the product in a dry, safe location to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn parts in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, seek out designated recycling facilities or hazardous waste disposal services.

## **Contact Information for Further Support**

For any inquiries regarding product safety, usage, or support, please refer to the official website or customer service resources provided by Short Action Customs.

By following these guidelines, you can ensure a safe and effective experience with your Modular Headspace Comparator Inserts. Thank you for choosing Short Action Customs for your precision measurement needs.
