

# MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 338 LAPUA MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

# Modular Headspace Comparator Inserts Short Action Customs 338 Lapua Safety Instruction Guide

## Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. These inserts are designed to provide accurate measurements for cartridge headspace and bullet dimensions. This guide will help you understand how to use the product safely and effectively while complying with EU safety regulations.

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Use the Modular Headspace Comparator Inserts only with the compatible Modular Headspace Comparator Body, which must be purchased separately.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the inserts for any signs of damage or wear before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when measuring cartridges.
- Avoid using the inserts with cartridges that exceed the specified limits (up to 338 Lapua Magnum).
- Do not modify the inserts or use them for purposes other than intended.
- Handle the inserts with care to prevent injury from sharp edges.
- Ensure a stable and secure setup when using the comparator to avoid accidents.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that you have the Modular Headspace Comparator Body before proceeding.
- Align the headspace insert with the comparator body, ensuring a snug fit.
- Secure the insert in place according to the instructions provided with the comparator body.

### 2. Usage

- Carefully measure the cartridge headspace by inserting the cartridge into the comparator with the headspace insert attached.
- Read the measurement clearly and accurately.
- After use, remove the cartridge and clean the inserts if necessary to maintain their condition.

### 3. Maintenance

- Regularly clean the inserts with a soft cloth to remove any debris.
- Store the inserts in a safe, dry place when not in use.

## Disposal Instructions

- Dispose of any damaged or worn inserts in accordance with local regulations.
- If you need to dispose of the product, ensure it is done in an environmentally friendly manner.

## **Contact Information for Further Support**

For any questions or concerns regarding the Modular Headspace Comparator Inserts, please refer to the manufacturer's website or contact your local distributor for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
