

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 338 CALIBER X 40° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Safety Instruction Guide for Modular Headspace Comparator Inserts

Introduction

Thank you for choosing the Modular Headspace Comparator Inserts Short Action Customs 338 Caliber x 40°. This product is designed to provide the highest quality headspace and bullet measuring tools for your reloading needs. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the Modular Headspace Comparator Body is purchased separately and used with the inserts.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The product contains sharp edges and precision components. Handle with care to avoid cuts or injuries.
- Improper use may lead to inaccurate measurements, which can result in firearm malfunctions.

- **Avoiding Hazards:**

- Always wear protective eyewear when using the comparator inserts.
- Do not use the product if it is damaged or if components are missing.
- Ensure a clean workspace to prevent accidents and contamination of the inserts.

- **Age Restrictions:**

- This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that you have the Modular Headspace Comparator Body.
2. Align the headspace insert with the comparator body.
3. Secure the insert in place according to the manufacturer's guidelines.

- **Usage:**

1. Carefully insert the cartridge into the comparator.
2. Take measurements as per the instructions provided with the comparator body.
3. Always doublecheck measurements for accuracy.
4. Clean the inserts after each use to maintain precision and durability.

- **Maintenance:**

- Store the inserts in a dry place to prevent corrosion.
- Regularly inspect for signs of wear and replace if necessary.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in general waste. Check for any recycling programs available in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Modular Headspace Comparator Inserts, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure safe and effective use of your Modular Headspace Comparator Inserts.
