

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 338 CALIBER X 35° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Safety Instruction Guide for MODULAR HEADSPACE COMPARATOR INSERTS SHORT ACTION CUSTOMS 338 CALIBER X 35° MODULAR HEADSPACE COMPARATOR INSERT

Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. These precisionengineered tools are designed to provide you with the most accurate measurements for cartridge headspace and bullet dimensions. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this document.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Always follow the manufacturer's instructions for use and maintenance.
- Report any unsafe products or incidents to the appropriate authorities.
- Check the EU's Safety Gate platform for updates on recalls or safety information.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Sharp edges may be present on the inserts. Handle with care to avoid cuts.
 - Improper use may lead to inaccurate measurements, which can affect reloading safety.
- **Avoiding Hazards:**
 - Always wear protective gloves when handling the inserts.
 - Use the comparator in a stable environment to prevent accidental drops.
 - Ensure that the Modular Headspace Comparator Body is securely attached before use.
- **Age and AudienceSpecific Warnings:**
 - This product is intended for use by adults only. Keep away from children.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the Modular Headspace Comparator Body (sold separately).
- Align the headspace insert with the body and securely attach it until it clicks into place.
- Verify that the insert is firmly installed before proceeding to use.

2. Usage:

- Place the cartridge into the comparator with the headspace insert attached.
- Ensure that the cartridge is seated correctly and that the comparator is stable.
- Take measurements as per your reloading requirements, following the specific instructions for your reloading setup.
- After use, detach the headspace insert from the body carefully.

3. Maintenance:

- Clean the inserts after each use to remove any debris or residue.
- Store the inserts in a dry place to prevent corrosion.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in regular household waste. Check for recycling options or special disposal facilities for metal products.

Contact Information for Further Support

For any inquiries or further assistance regarding the Modular Headspace Comparator Inserts, please refer to the manufacturer's contact information provided with the product packaging.

By adhering to these safety guidelines, you can ensure a safe and effective experience with your Modular Headspace Comparator Inserts. Thank you for your attention to these important safety measures.
