

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 338 NORMA MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Safety Instruction Guide for Modular Headspace Comparator Inserts

Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective performance of the product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the Modular Headspace Comparator Body is purchased separately and is in good working condition before using the inserts.
- Always follow the manufacturer's instructions for both the Modular Headspace Comparator Body and the inserts.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injuries.
- Regularly inspect the inserts for any signs of wear or damage. Do not use damaged components.
- Report any unsafe conditions or accidents associated with the product to the relevant authorities.
- Stay informed about any recall updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Modular Headspace Comparator Inserts only with compatible cartridges (e.g., 338 Norma Mag).
- Ensure that you are using the inserts in a wellventilated area, away from flammable materials.
- Wear appropriate safety gear, including safety glasses and gloves, to protect yourself from potential hazards during use.
- Do not modify the inserts or the comparator body in any way, as this may compromise safety and effectiveness.
- Follow proper firearm safety practices when using the comparator with live ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure the Modular Headspace Comparator Body is securely mounted and stable.
- Select the appropriate headspace insert for your cartridge.
- Align the insert with the comparator body and ensure it fits snugly into place.
- Confirm that the insert is properly seated before use.

2. Usage:

- Carefully place the cartridge into the comparator with the selected insert.
- Gently close the comparator to measure the headspace and bullet dimensions.
- Avoid applying excessive force when closing the comparator to prevent damage.
- After use, remove the cartridge and insert, and store them in a safe location.

Disposal Instructions

- Dispose of any damaged or worn inserts in accordance with local regulations for metal waste.
- Do not throw inserts in regular trash; check for recycling options or hazardous waste disposal facilities in your area.
- Ensure that all components are completely removed from use before disposal to prevent accidental injuries.

Contact Information for Further Support

For any questions or concerns regarding the Modular Headspace Comparator Inserts, please refer to the manufacturer's contact information provided with your product.
