

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 375 CHEYTAC MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

MODULAR HEADSPACE COMPARATOR INSERTS

SHORT ACTION CUSTOMS 375 CHEYTAC

Introduction

Thank you for choosing the Modular Headspace Comparator Inserts for your Modular Headspace Comparator. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle the headspace inserts with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or irregularities, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- **Precision Handling:** The headspace inserts are precision machined. Avoid dropping or mishandling the inserts to prevent damage.
- **Compatibility Check:** Ensure that the Modular Headspace Comparator Body is compatible with the headspace inserts before use.
- **Avoid Exposure:** Keep the inserts away from moisture and corrosive substances to maintain their integrity.
- **Proper Storage:** Store the inserts in a clean, dry place when not in use to prevent contamination and damage.
- **Personal Protective Equipment:** Wear appropriate safety gear, such as gloves and safety glasses, when handling the inserts to protect against sharp edges.

Instructions for Installation and Usage

1. Check Compatibility:

- Confirm that you have the Modular Headspace Comparator Body, as it is required for the use of the headspace inserts.

2. Installation:

- Carefully insert the headspace insert into the Modular Headspace Comparator Body.
- Ensure that the insert is securely positioned and locked in place.

3. Usage:

- Use the comparator to measure cartridge headspace and bullet measurements.
- Follow the specific measurement guidelines provided with the Modular Headspace Comparator for accurate results.
- After use, remove the headspace insert and store it properly.

4. Cleaning and Maintenance:

- Clean the headspace inserts with a soft cloth after each use to remove any residue.
- Do not use abrasive materials or chemicals that may damage the stainless steel finish.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent injury.

Contact Information for Further Support

For any inquiries related to safety, product information, or support, please contact the manufacturer directly. Ensure that you have your product details ready when reaching out for assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Happy measuring!
