

# MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 22 CALIBER X 35° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

# Safety Instruction Guide for Modular Headspace Comparator Inserts

## Introduction

Thank you for choosing the Modular Headspace Comparator Inserts by Short Action Customs. These inserts are designed for precise measurement of cartridge headspace and bullet dimensions. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the Modular Headspace Comparator Body is purchased separately and is compatible with the inserts.
- Use the product only as intended and according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. If any damage is found, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using this product.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Handle all components with care to avoid injury or damage.
- Do not exceed the recommended cartridge specifications for the Modular Headspace Comparator.
- Avoid using the product in wet or damp conditions to prevent corrosion and ensure reliability.
- If you are unfamiliar with the use of headspace comparators, seek guidance from a knowledgeable individual or professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the Modular Headspace Comparator Body ready for use.
- Carefully attach the Modular Headspace Comparator Insert to the Comparator Body following the manufacturer's guidelines.
- Ensure the insert is securely fastened before proceeding to use.

### 2. Usage:

- Select the appropriate headspace insert for your cartridge type (22 Caliber).
- Insert the cartridge into the Comparator and ensure it is seated properly.
- Take measurements as per standard operating procedures for headspace comparators.
- Record your measurements accurately for future reference.

### 3. PostUsage:

- After use, remove the cartridge and clean the insert with a suitable cloth to remove any debris.
- Store the Modular Headspace Comparator Inserts in a dry place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations for metal recycling.
- Do not dispose of the product in general waste to minimize environmental impact.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product specifications, please refer to the manufacturer's website or customer service resources.
