

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 338 CALIBER X 30° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Safety Instruction Guide for Modular Headspace Comparator Inserts

Introduction

Thank you for choosing the Modular Headspace Comparator Inserts made by Short Action Customs. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before using the Modular Headspace Comparator Inserts.

General Safety Guidelines

- Ensure the product is used only as intended.
- Always follow the manufacturer's instructions for use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Modular Headspace Comparator Inserts only with the compatible Modular Headspace Comparator Body.
- Avoid exposure to extreme temperatures and humidity to maintain product integrity.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when using the comparator inserts.
- Ensure that the workspace is clean and free of obstructions to prevent accidents.
- Do not modify the product; any alterations may compromise safety and performance.
- Handle the inserts with care to avoid sharp edges or points that could cause injury.

Instructions for Installation and Usage

1. Installation of Inserts:

- Ensure you have the Modular Headspace Comparator Body, as this is required for the use of the inserts.
- Align the insert with the comparator body, ensuring a snug fit.
- Gently push the insert into place until it is securely seated.

2. Using the Comparator:

- Select the appropriate headspace insert for your cartridge (338 Caliber).
- Insert the cartridge into the comparator body with the headspace insert in place.
- Use a caliper or other measuring tool to take measurements as needed.
- Always doublecheck measurements for accuracy.

3. After Use:

- Clean the inserts and comparator body with a soft cloth to remove any debris or residue.
- Store the inserts in a safe, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal recycling.
- Do not dispose of the product in household waste.
- If the product is damaged beyond repair, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging or visit the official website.

Thank you for prioritizing safety while using the Modular Headspace Comparator Inserts. Your adherence to these guidelines will help ensure a safe and effective experience.
