

GAS CONTROLS ADJUSTABLE GAS BLOCK - RIFLESPEED GAS CONTROL 1.9" MODEL RS7519 0.750"DIAMETER

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

The revolutionary RIFLESPEED™ Gas Control System (US Patent #US20200116446A1, additional patents issued and pending) makes controlling your rifle's gas flow reliable, repeatable, and foolproof. Need more gas? Turn it up. Need less gas? Turn it down. With the easy-to-grasp Control Knob, it's that simple and no tools are required. The highly visible numbering on the Control Knob ensures that you'll always know your setting. Return to a previous setting instantly by simply turning the Control Knob. Each setting is indicated by a highly tactile "click" for use during times of reduced visibility. Two separate rotation ranges with numbered settings 1-12 and multiple Plunger sizes cover the adjustment requirements for every available cartridge. The patented Rotation Stop feature prevents unintentional disassembly. Uses RIFLESPEED straight gas tubes Designed for the most rigorous Military or LE Duty Use, RIFLESPEED Gas Controls are also ideal for defensive use, competition, recreational shooting, or hunting. RIFLESPEED Gas Controls are durable and proven to perform through tens of thousands of rounds of ammunition spent in developmental and destructive testing. Gas Controls from RIFLESPEED are the ultimate solution to the problems of operating hard-use carbines in varying conditions, configurations, and environments. With complete control of the gas that's delivered to the action of your rifle with each shot you'll enjoy increased reliability, reduced recoil, reduced muzzle rise, less aiming disruption, less wear and tear on your rifle, and improved accuracy. Set your RIFLESPEED Gas Control for ideal performance with light commercial ammo or higher-pressure milspec ammo. Dial your gas system in for ideal performance in extreme heat or frigid cold conditions. Enjoy optimal performance with or without a suppressor. With a properly adjusted gas system you can eliminate the need to use exceedingly heavy buffers. Once you experience the advantages of using a RIFLESPEED Gas Control, you'll never want to shoot anything else.

Attributes

- Name: [RIFLESPEED GAS CONTROL 1.9" MODEL RS7519 0.750"DIAMETER](#)
- Manufacturer: [RIFLESPEED](#)
- Product no.: 100050261
- Mfr. No.: US0100
- Inside Diameter: .750
- Style: Adjustable
- Delivery weight: 0.168kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 178mm

Item details

Made in USA

US export classification: 0A501.x

Safety Instruction Guide for GAS CONTROLS ADJUSTABLE GAS BLOCK RIFLESPEED GAS CONTROL 1.9" MODEL RS7519 0.750"DIAMETER

Introduction

Thank you for choosing the GAS CONTROLS ADJUSTABLE GAS BLOCK RIFLESPEED GAS CONTROL. This product is designed to enhance the performance of your rifle while ensuring safe and effective operation. This guide provides essential safety instructions, usage guidelines, and contact information for further support. Please read this document thoroughly before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the product is compatible with your specific rifle model.
- Regularly inspect the gas control system for any signs of wear or damage.
- Use the product only for its intended purpose as specified by the manufacturer.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Risk of injury from improper installation or adjustment.
- Risk of malfunction if used with incompatible ammunition.
- Risk of increased recoil or muzzle rise if gas flow is not properly adjusted.

• Avoiding Hazards:

- Ensure that the gas control is correctly set before firing.
- Do not attempt to adjust the gas control while the firearm is loaded or in use.
- Always use appropriate ammunition as specified for your rifle and gas control system.
- Familiarize yourself with the operation of the Control Knob and its settings.

• Age Restrictions:

- This product is intended for use by adults only. Ensure that minors do not access or operate this device without supervision.

Instructions for Installation and Usage

• Installation:

1. Ensure that your rifle is unloaded and pointed in a safe direction.
2. Remove the existing gas block if applicable.
3. Install the RIFLESPEED Gas Control onto the gas tube according to the manufacturer's instructions.
4. Secure the gas control in place, ensuring there are no loose components.

• Usage:

1. Before firing, set the Control Knob to the desired gas flow setting (112).
2. Adjust the Control Knob as needed for different shooting conditions (e.g., light commercial ammo vs. higherpressure milspec ammo).
3. After adjusting, confirm the setting by checking the visible numbering on the Control Knob.
4. Fire a test round to ensure proper operation. Adjust the gas flow as necessary based on performance.
5. Always return the Control Knob to a known setting after use for future reference.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Do not discard in regular household waste. Check for designated disposal facilities in your area.
- If the product is defective or damaged, contact the manufacturer for guidance on safe disposal.

Contact Information for Further Support

For further assistance or inquiries regarding the GAS CONTROLS ADJUSTABLE GAS BLOCK RIFLESPEED GAS CONTROL, please reach out to the manufacturer's customer service or technical support team.

Thank you for prioritizing safety and performance with the RIFLESPEED Gas Control. Your attention to these guidelines will enhance your shooting experience while ensuring compliance with safety regulations.
