

GAS CONTROLS ADJUSTABLE GAS BLOCK - RIFLESPEED GAS CONTROL 3.3" MODEL RS7533 0.750"DIAMETER

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

The revolutionary RIFLESPEED™ Gas Control System (US Patent #US20200116446A1, additional patents issued and pending) makes controlling your rifle's gas flow reliable, repeatable, and foolproof. Need more gas? Turn it up. Need less gas? Turn it down. With the easy-to-grasp Control Knob, it's that simple and no tools are required. The highly visible numbering on the Control Knob ensures that you'll always know your setting. Return to a previous setting instantly by simply turning the Control Knob. Each setting is indicated by a highly tactile ""click"" for use during times of reduced visibility. Two separate rotation ranges with numbered settings 1-12 and multiple Plunger sizes cover the adjustment requirements for every available cartridge. The patented Rotation Stop feature prevents unintentional disassembly. Uses RIFLESPEED straight gas tubes Designed for the most rigorous Military or LE Duty Use, RIFLESPEED Gas Controls are also ideal for defensive use, competition, recreational shooting, or hunting. RIFLESPEED Gas Controls are durable and proven to perform through tens of thousands of rounds of ammunition spent in developmental and destructive testing. Gas Controls from RIFLESPEED are the ultimate solution to the problems of operating hard-use carbines in varying conditions, configurations, and environments. With complete control of the gas that's delivered to the action of your rifle with each shot you'll enjoy increased reliability, reduced recoil, reduced muzzle rise, less aiming disruption, less wear and tear on your rifle, and improved accuracy. Set your RIFLESPEED Gas Control for ideal performance with light commercial ammo or higher-pressure milspec ammo. Dial your gas system in for ideal performance in extreme heat or frigid cold conditions. Enjoy optimal performance with or without a suppressor. With a properly adjusted gas system you can eliminate the need to use exceedingly heavy buffers. Once you experience the advantages of using a RIFLESPEED Gas Control, you'll never want to shoot anything else.

Attributes

- Name: [RIFLESPEED GAS CONTROL 3.3" MODEL RS7533 0.750"DIAMETER](#)
- Manufacturer: [RIFLESPEED](#)
- Product no.: 100050262
- Mfr. No.: US0101
- Inside Diameter: .750
- Style: Adjustable
- Delivery weight: 0.181kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 178mm

Safety Instruction Guide for RIFLESPEED Adjustable Gas Block

Introduction

Thank you for choosing the RIFLESPEED Adjustable Gas Block. This product is designed to enhance the performance of your rifle while ensuring safety during use. Please read this safety instruction guide thoroughly to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle firearms with care, following all safety protocols and laws applicable in your region.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the gas block for any signs of damage or wear before each use.
- If you experience any issues with the product, stop using it immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate protective gear, including safety glasses and hearing protection, when using firearms equipped with this gas block.
- Make sure the rifle is unloaded before installing or adjusting the gas block.
- Avoid using the gas block in extreme conditions without proper adjustments, as this may affect performance and safety.
- Do not attempt to modify or disassemble the gas block; any alterations may compromise safety and functionality.
- Follow the manufacturer's recommendations for compatible ammunition types and pressures to prevent malfunctions.

Instructions for Installation and Usage

1. Installation

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing gas block, if applicable, by following the manufacturer's instructions.
- Clean the area where the new gas block will be installed to ensure a secure fit.
- Position the RIFLESPEED Adjustable Gas Block on the gas tube and secure it using the provided hardware.
- Confirm that the gas block is properly aligned and tightened according to the manufacturer's specifications.

2. Adjusting Gas Flow

- Locate the Control Knob on the gas block.
- To increase gas flow, turn the knob clockwise; to decrease gas flow, turn it counterclockwise.
- Each setting is marked with numbers from 1 to 12 for easy reference.
- Listen for the tactile "click" to confirm that you have reached a new setting.
- After adjustments, test the rifle in a safe environment to ensure proper functioning.

3. Routine Maintenance

- Regularly check the gas block for any debris or obstructions.
- Clean the gas block periodically to maintain optimal performance.

- Inspect the Control Knob for any signs of damage or wear.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RIFLESPEED Adjustable Gas Block, please refer to the manufacturer's website or customer support resources for assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your RIFLESPEED Adjustable Gas Block. Always prioritize safety and compliance with local laws and regulations when using firearms.
