

# M5 OBERNDORF BOTTOM METALS - HAWKINS PRECISION M5 OBERNDORF BOTTOM METAL SHORT ACTION

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Hawkins Precision M5 Oberndorf bottom metals are born from our famous Oberndorf bottom metal, with one exception, they fit a standard M5 inlet. This bottom metal is precision CNC machined, lightweight and is designed for Wyatt extended length box magazines. They feature a reversible and adjustable mag/floorplate catch, and have a thicker floorplate that provides less spring pressure and added reliability when loading 3 Ultra mag cartridges. These are the perfect pairing for your M5 inleted hunting stock. Available for Remington 700 (and REM 700 clone) actions in short and long action cut for a Wyatt box mag. Verify your action is cut for a Wyatt's Outdoors Extended Box. Contact the manufacturer.

## Attributes

- Name: [HAWKINS PRECISION M5 OBERNDORF BOTTOM METAL SHORT ACTION](#)
- Manufacturer: [HAWKINS PRECISION](#)
- Product no.: 100050295
- Mfr. No.: 3010003

# Safety Instruction Guide for M5 Oberndorf Bottom Metals

## Introduction

Thank you for choosing the Hawkins Precision M5 Oberndorf Bottom Metals. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully before using the product to understand its proper use and safety precautions.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the bottom metal.
- Use only the recommended Wyatt extended length box magazines with this bottom metal.
- Regularly inspect the bottom metal for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.

## Specific Safety Precautions for Use

- Ensure that your action is cut for a Wyatt's Outdoors Extended Box before installation.
- Do not attempt to modify or alter the bottom metal in any way.
- Avoid using the bottom metal with ammunition other than the specified 3 Ultra mag cartridges.
- Always handle firearms responsibly and ensure proper firearm safety practices are followed.
- If you experience any issues during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is completely unloaded.
- Carefully remove the existing bottom metal from your M5 inleted hunting stock.
- Align the Hawkins Precision M5 Oberndorf Bottom Metal with the inlet and secure it using the provided screws.
- Make sure the mag/floorplate catch is properly adjusted for optimal performance.

### 2. Usage:

- Load the Wyatt extended length box magazine with no more than three Ultra mag cartridges.
- Insert the magazine into the bottom metal until it clicks into place.
- Ensure that the floorplate catch is functioning correctly before firing.
- Always check that the firearm is in safe condition before handling or transporting.

## Disposal Instructions

- Dispose of any damaged or unusable bottom metal components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Hawkins Precision M5 Oberndorf Bottom Metals, please consult the

manufacturer's website or contact their customer support for assistance. Always ensure you have the latest information on product recalls and safety updates.

By following these guidelines, you can enjoy the benefits of your Hawkins Precision M5 Oberndorf Bottom Metals while ensuring safety and compliance with EU regulations. Thank you for prioritizing safety in your shooting activities.
