LOW PROFILE MUZZLE BRAKE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Low Profile Muzzle Brake from Yankee Hill Machine Co., Inc. This product is designed to enhance your shooting experience by reducing recoil and improving recovery time on target. Please read this safety instruction guide carefully to ensure safe and effective use of the muzzle brake.

General Safety Guidelines

- Always treat every firearm as if it were loaded.
- Ensure that the muzzle brake is installed properly before use.
- Use only with firearms that are compatible with the specified caliber (.22 Caliber).
- Keep the muzzle brake and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction or injury.
 - Use of the muzzle brake with incompatible calibers may cause damage to the firearm or injury to the user.
- **Avoiding Hazards:**
 - Ensure that the firearm is unloaded before installing or removing the muzzle brake.
 - Always follow the manufacturer's installation and usage instructions.
 - Do not modify the muzzle brake or use it in a manner not intended by the manufacturer.
- **Audience Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.
 - Special care should be taken when used by inexperienced shooters.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Remove any existing muzzle device if necessary.
 3. Thread the Low Profile Muzzle Brake onto the muzzle of the firearm, ensuring it is aligned properly.
 4. Tighten securely using an appropriate tool, ensuring not to overtighten.
 5. Check that the gas block can be installed or removed without needing to detach the muzzle brake.
- **Usage:**
 - Always wear appropriate eye and ear protection when shooting.
 - Regularly check the muzzle brake for proper attachment before each use.
 - After shooting, allow the muzzle brake to cool before handling.

Disposal Instructions

- Dispose of the Low Profile Muzzle Brake in accordance with local regulations.
- Do not dispose of in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Low Profile Muzzle Brake, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Low Profile Muzzle Brake. Always prioritize safety when handling firearms and their accessories.
