

# M-BRACE SCOPE RINGS - 30MM X-HIGH (1.42") SCOPE RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The M-BRACE Scope Rings embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. OVERVIEW Excellent Return-To-Zero CNC Machined High-Strength 7075 Aluminum Available in the Diameter, Height, and Inclination You Need Designed to fit Picatinny (MIL-STD-1913) rails. Proudly Made in the USA

# MBRACE Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the MBRACE Scope Rings. Designed for durability and precision, these scope rings are engineered to enhance your shooting experience. This guide outlines essential safety instructions to ensure safe usage, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always inspect the scope rings for any visible damage before use.
- Ensure that the scope rings are compatible with your scope and rifle setup.
- Use the product only for its intended purpose as specified.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or failure during use, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the scope rings.
- Use appropriate tools when installing the scope rings to avoid damage.
- Do not exceed the recommended torque specifications during installation.
- Avoid exposing the scope rings to extreme temperatures or harsh chemicals.
- Regularly check the tightness of the scope rings and make adjustments as necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that your rifle is securely mounted in a stable position.

### 2. Installation Steps:

- Remove any existing scope rings from the rifle.
- Align the MBRACE Scope Rings with the Picatinny rail on your rifle.
- Place the scope into the rings and adjust the height and inclination as needed.
- Tighten the screws using a torque wrench to the manufacturer's recommended specifications.
- Doublecheck the alignment and tightness before using the rifle.

### 3. Usage:

- Ensure the scope is properly adjusted for your shooting needs.
- Regularly check the scope rings for any signs of wear or loosening during use.

## Disposal Instructions

- Dispose of the MBRACE Scope Rings in accordance with local regulations.
- Do not dispose of the product in household waste; consider recycling options where available.
- Ensure that any packaging materials are also disposed of responsibly.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MBACE Scope Rings, please refer to the EU contact point provided by the manufacturer.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the MBACE Scope Rings!
