

M-BRACE SCOPE RINGS - AMERICAN RIFLE COMPANY 35MM X-HIGH (1.42") SCOPE RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The M-BRACE Scope Rings embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. OVERVIEW Excellent Return-To-Zero CNC Machined High-Strength 7075 Aluminum Available in the Diameter, Height, and Inclination You Need Designed to fit Picatinny (MIL-STD-1913) rails. Proudly Made in the USA

MBRACE Scope Rings Safety Instructions

Introduction

Thank you for choosing the MBRACE Scope Rings by American Rifle Company. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the scope rings safely and effectively.

General Safety Guidelines

- Always ensure that the scope rings are compatible with your rifle and scope.
- Inspect the scope rings for any visible damage before use.
- Ensure that the mounting surface is clean and free from debris.
- Always follow local laws and regulations regarding firearm and accessory use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the scope rings fit the diameter of your scope tube (35mm) and are suitable for your rifle type.
- **Installation:** Follow the installation instructions carefully to avoid improper mounting that could lead to accidents.
- **Maintenance:** Regularly check the tightness of the scope rings to ensure they remain securely mounted.
- **Handling:** Handle the scope rings carefully to avoid dropping or damaging them.
- **Usage:** Only use the scope rings for their intended purpose. Do not modify or alter the product in any way.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your rifle is unloaded and pointed in a safe direction.

2. Installation:

- Place the scope rings on the Picatinny rail, aligning them with the desired mounting position.
- Insert and tighten the screws using a torque wrench to the manufacturer's recommended specifications.
- Ensure the scope is securely seated within the rings and that there is no movement.

3. Usage:

- Once installed, check the alignment of the scope and make necessary adjustments.
- Always use the scope rings in conjunction with proper shooting techniques and safety practices.

4. PostInstallation Check:

- After installation, check the tightness of all screws and ensure that the scope does not shift during use.

Disposal Instructions

- Dispose of the MBACE Scope Rings in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling materials where applicable to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the MBACE Scope Rings, please reach out to your local dealer or visit the manufacturer's website for support.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MBACE Scope Rings!
