

M-BRACE SCOPE RINGS - AMERICAN RIFLE COMPANY 36MM MEDIUM (1.10") SCOPE RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The M-BRACE Scope Rings embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. OVERVIEW Excellent Return-To-Zero CNC Machined High-Strength 7075 Aluminum Available in the Diameter, Height, and Inclination You Need Designed to fit Picatinny (MIL-STD-1913) rails. Proudly Made in the USA

MBRACE Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the MBRACE Scope Rings from American Rifle Company. This product is designed for optimal performance and safety. Please read this safety instruction guide carefully to ensure proper use and maintenance of your scope rings.

General Safety Guidelines

- Always ensure the scope rings are compatible with your rifle and scope before installation.
- Inspect the scope rings for any damage or defects before each use.
- Store the scope rings in a dry and safe place when not in use.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Use the scope rings only for their intended purpose as described in this guide.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the scope rings.
- Avoid overtightening the scope rings, as this may damage the scope or the rings themselves.
- Do not modify the scope rings or use them in a manner not intended by the manufacturer.
- Always wear appropriate eye protection when using firearms equipped with scopes.
- Keep the area clear of unauthorized personnel, especially children, when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools, including a torque wrench and appropriate hex keys.
- Ensure that your rifle is unloaded and pointed in a safe direction.

2. Installation

- Place the scope rings onto the Picatinny rail of your rifle.
- Align the rings to match the scope tube diameter (36mm).
- Secure the rings by tightening the screws gradually, alternating between the front and rear screws to ensure even pressure.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications (typically between 1520 inlbs).

3. Usage

- Once installed, mount your scope securely in the rings.
- Adjust the scope to your desired position before tightening the ring screws fully.
- After installation, check the alignment and ensure the scope returns to zero after adjustments.

4. PostInstallation Check

- After installation, perform a function check to ensure the scope is securely mounted and operates correctly.
- Periodically check the tightness of the scope rings, especially after heavy use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the scope rings are damaged beyond repair, dispose of them responsibly at a designated electronic waste recycling facility.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MBACE Scope Rings, please refer to the manufacturer's contact information provided with your product. Always ensure that you are following the latest safety guidelines and regulations.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MBACE Scope Rings. Thank you for your attention to safety and for choosing American Rifle Company products.
