

M-BRACE SCOPE RINGS - AMERICAN RIFLE COMPANY 40MM X-HIGH (1.42") SCOPE RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The M-BRACE Scope Rings embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. OVERVIEW Excellent Return-To-Zero CNC Machined High-Strength 7075 Aluminum Available in the Diameter, Height, and Inclination You Need Designed to fit Picatinny (MIL-STD-1913) rails. Proudly Made in the USA

MBRACE Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the MBRACE Scope Rings by American Rifle Company. These scope rings are designed for high performance and durability, ensuring a secure fit for your optical equipment. This safety instruction guide provides essential information to ensure safe usage and installation of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the scope rings are compatible with your rifle and scope specifications.
- Inspect the scope rings for any visible damage or defects before installation.
- Use the product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the scope rings are securely fastened to prevent any movement during use.
- Do not exceed the recommended weight limit of the scope and accessories mounted on the rings.
- Avoid using the scope rings in extreme weather conditions without proper precautions.
- Regularly check the tightness of the scope rings and retighten as necessary.
- Do not modify the scope rings in any way, as this may compromise safety and performance.
- If you experience any issues with the scope rings, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your rifle is unloaded and pointed in a safe direction.

2. Installation:

- Place the scope rings onto the Picatinny rail, ensuring they fit securely.
- Align the rings with the scope tube diameter (40mm) and desired height (1.42 inches).
- Tighten the screws using the torque wrench to the manufacturer's recommended specifications to ensure a secure fit.

3. Usage:

- Once installed, carefully mount your scope into the rings.
- Adjust the position of the scope for optimal eye relief and comfort.
- Securely tighten the scope rings to prevent any movement during use.

4. PostInstallation Check:

- After installation, check that the scope is level and properly aligned.
- Perform a function test to ensure that the scope is securely mounted and operational.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- For safety, consider recycling parts of the product where applicable.

Contact Information for Further Support

For any further inquiries or support regarding the MBACE Scope Rings, please refer to the manufacturer's website or contact customer support directly. Always ensure that you have your product information ready for any inquiries.

Thank you for your attention to these safety instructions. Enjoy using your MBACE Scope Rings responsibly and safely.
