

CZ SCORPION EVO MEDIUM LENGTH CHARGING HANDLE - CZ SCORPION EVO CHARGING HANDLE MEDIUM BLACK

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The Strike Industries Charging Handle for CZ Scorpion EVO (Medium) provides a longer, ergonomic and positive tactile feeling over the original CZ factory charging handle. No more fear of tearing up your knuckles with your fingers being too close to the sides of the top Picatinny rail as you cock the handle. The SI charging handle will ensure more accessibility, even with additional rail accessories like a side mounted weapon light. It's not too big to get in the way and has been designed to reduce the risk of snagging with the rounded edges. Retain the factory ability of being ambidextrous and non-reciprocating. Follow proper CZ instructions on removal and installation to not damage the cocking handle spring and in minutes you will have a quick and easy upgrade for your CZ Scorpion EVO pistol and/or rifle. Made from durable and lightweight polymer reinforced by nylon, the Strike Industries Charging Handle for CZ Scorpion EVO (Medium) will replace that little tiny CZ handle and give you more to work with.

Safety Instruction Guide for CZ Scorpion EVO Medium Length Charging Handle

Introduction

Thank you for choosing the Strike Industries Charging Handle for your CZ Scorpion EVO. This guide provides essential safety instructions and usage information to ensure safe and effective operation of your charging handle. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the charging handle is compatible with your specific model of CZ Scorpion EVO.
- Always handle firearms with care and follow all safety protocols.
- Keep the charging handle out of reach of children and unauthorized users.
- Regularly inspect the charging handle for signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Pinching:** Be cautious when charging the handle to avoid pinching your fingers.
- **Secure Grip:** Ensure a secure grip on the handle while operating to prevent slips.
- **Check Surroundings:** Always be aware of your surroundings when using the firearm to avoid accidents.
- **Use Proper Technique:** Follow the recommended technique for cocking the handle to minimize risk of injury.
- **Ambidextrous Use:** The charging handle is designed for ambidextrous use; ensure you are familiar with its operation from both sides.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if applicable).

2. Removal of Original Charging Handle:

- Follow the manufacturer's instructions for safely removing the factory charging handle.
- Take care not to damage the cocking handle spring during removal.

3. Installation of Strike Industries Charging Handle:

- Align the new charging handle with the designated slot on your CZ Scorpion EVO.
- Gently push the handle into place until it is securely fitted.
- Test the handle to ensure it operates smoothly.

4. Usage:

- To operate, grasp the charging handle firmly and pull it back to chamber a round.
- Release the handle to allow it to return to its original position.
- Ensure that your fingers are clear of the path of the handle during operation.

5. PostUse Inspection:

- After use, inspect the charging handle for any signs of damage or wear.

- Clean the handle and surrounding area as needed to ensure proper function.

Disposal Instructions

- When disposing of the charging handle, follow local regulations for plastic waste.
- Do not dispose of the charging handle in regular household waste if it is damaged or broken.
- Consider recycling options if available in your area.
