

# CZ SCORPION EVO MAGAZINE RELEASE - STRIKE INDUSTRIES CZ SCORPION EVO MAGAZINE RELEASE BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Magazine Parts](#) > [Magazine Releases](#)

The Strike Industries Magazine Release for the CZ Scorpion EVO is a lightweight, high-strength polymer solution that enables the user to depress the magazine release utilizing only one hand. Whereas the original design requires two hands to disengage a magazine, the Strike Industries Magazine Release has added fins on both sides of the trigger guard that allow the shooter to use their shooting finger to hit the release, freeing the other hand of that burden and allowing for overall faster reloads. Quicker reloads lead to more rounds on target in a shorter amount of time.

## Attributes

- Name: [STRIKE INDUSTRIES CZ SCORPION EVO MAGAZINE RELEASE BLACK](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100050489

# Safety Instruction Guide for CZ Scorpion EVO Magazine Release by Strike Industries

## Introduction

Thank you for choosing the Strike Industries Magazine Release for the CZ Scorpion EVO. This product is designed to enhance your shooting experience by allowing for faster magazine changes. This safety instruction guide provides essential safety information and guidelines to ensure the safe use and maintenance of the magazine release.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the magazine release.
- Keep the magazine release and all firearm accessories out of reach of children and unauthorized individuals.
- Familiarize yourself with the operation of your CZ Scorpion EVO and the magazine release before use.
- Regularly inspect the magazine release for any signs of wear or damage.
- Report any unsafe conditions or accidents related to the product to the proper authorities.

## Specific Safety Precautions for Use

- Use the magazine release only as intended and according to the manufacturer's instructions.
- Avoid using excessive force when depressing the magazine release.
- Ensure that your fingers are clear of the trigger and the firearm's action while operating the magazine release.
- Do not modify the magazine release or any part of your firearm, as this may lead to unsafe conditions.
- If you experience any difficulty with the magazine release, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is completely unloaded and pointed in a safe direction.
- Remove the existing magazine release from the CZ Scorpion EVO by following the manufacturer's instructions.
- Align the Strike Industries Magazine Release with the mounting area on the firearm.
- Securely install the magazine release according to the provided instructions, ensuring it is properly seated and functional.

### 2. Usage:

- To release the magazine, use your shooting finger to press the magazine release fins located on both sides of the trigger guard.
- Practice using the magazine release with your dominant hand to ensure a smooth and efficient operation.
- Always maintain proper firearm safety practices while using the magazine release.

## Disposal Instructions

- Dispose of the magazine release and any packaging materials in accordance with local regulations.
- Do not dispose of the magazine release in a manner that could harm the environment or pose a risk to others.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your Strike Industries Magazine Release, please consult the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure the safe and effective use of your CZ Scorpion EVO Magazine Release. Thank you for prioritizing safety in your shooting practices.
