

# STRIKE IRON SIGHT SET FOR SMITH & WESSON M&P9 - STRIKE INDUSTRIES SMITH & WESSON M&P9 IRON SIGHT SET SUPPRESSOR HEIGHT

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

The Strike Iron Sights (Suppressor Height) give you an elevated sight picture for a red dot or suppressor pistol setup. The front and rear sights sit at an absolute co-witness position with a slide mounted red dot. Designed to help with proper sight alignment and keep the shooter's eyes focused, there is natural light that is seen on both sides of the front sight between the u-notch rear sight. Steps placed in the rear of both sights help angle and reduce unwanted glares or reflections out of your eyes. Lines and angles designed to use natural light reflections and shadow play to keep user's eye aligned and focused on the target. The rear sight is designed with a negative angle so that the shooter will see the back wall as dark as possible to give total focus on the sights. The line running down the middle of the rear sight is there to catch light from above and create a "line" illusion in which the shooter can use it to assist in aiming. The front sight can be painted to user's color preference or use glow-in-the-dark paint to customize the look and use of the sights. Made from SUS630 hardened stainless steel, the Strike Iron Sights For (Suppressor Height) is engineered to be as robust as possible while giving you one of the most budget friendly options on the market.

# Safety Instruction Guide for Strike Iron Sight Set for Smith & Wesson M&P9

## Introduction

Thank you for choosing the Strike Iron Sight Set for your Smith & Wesson M&P9. This guide provides essential safety instructions to ensure the safe and effective use of your new sights. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the sights.
- Use appropriate tools when installing the sights to prevent damage.
- Be aware that improper installation may affect your ability to aim accurately and safely.
- Avoid painting the front sight with materials that may obscure visibility or affect performance.
- Do not use the sights in conditions that may impair your vision or safety, such as extreme weather or low light without proper illumination.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from your Smith & Wesson M&P9 using appropriate tools.
- Align the front sight and rear sight in their designated positions on the slide.
- Secure the sights according to the manufacturer's instructions, ensuring they are firmly in place.
- Doublecheck the alignment and security of the sights before use.

### 2. Usage:

- Familiarize yourself with the sight picture before using the firearm.
- Practice aiming at a safe and controlled range to ensure proper sight alignment.
- Maintain focus on the target while keeping the sights aligned.
- Regularly practice to enhance your shooting skills and comfort with the sights.

## Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where applicable.

## Contact Information for Further Support

For any questions or concerns regarding the Strike Iron Sight Set, please refer to the manufacturer's contact

information provided with your product. It is important to have an EU-based contact for safety inquiries.

## **Conclusion**

By following these safety instructions, you can ensure the responsible use of your Strike Iron Sight Set for Smith & Wesson M&P9. Always prioritize safety and consult professionals when in doubt. Thank you for your commitment to safe firearm practices.
