# Safety Instruction Guide for LARGE SERIES 2 DIE SETS LEE PRECISION LEE LARGE SERIES 3 DIE SET 50 BMG

## Introduction

Thank you for choosing the Lee Large Series 2 Die Set for 50 BMG. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of the Classic Cast Press before using this die set.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Keep the workspace clean and organized to avoid accidents.
- Store the die set in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect your die set for wear and damage. Do not use any damaged components.
- Do not use the die set for any purpose other than its intended use.

## Specific Safety Precautions for Use

- Always follow the manufacturer's instructions when using the die set.
- Ensure that the Classic Cast Press is securely mounted and stable before operation.
- Use the correct shellholder and powder dipper as specified in the instructions.
- Do not exceed the recommended load specifications for the 50 BMG cartridge.
- Always doublecheck that the die set is properly adjusted before use.
- Avoid distractions while using the die set to maintain focus and safety.
- If you experience any malfunctions or unusual behavior during use, stop immediately and inspect the equipment.

## Instructions for Installation and Usage

### 1. Installation

- Securely mount the Classic Cast Press on a stable work surface.
- Attach the fulllength sizing die to the press, ensuring it is tightened properly.
- Install the bullet seating die according to the instructions provided.
- Ensure that all components are aligned correctly before proceeding.

### 2. Usage

- Prepare your cartridge cases by cleaning and inspecting them for defects.
- Insert the shellholder into the press, ensuring it is seated properly.
- Follow the instructions for adjusting the dies to achieve the desired sizing and seating depth.
- After each operation, clean the dies to prevent buildup and ensure smooth operation.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the die set becomes damaged beyond repair, follow local guidelines for disposing of metal and plastic components.

- Do not dispose of the die set in general household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of your Lee Large Series 2 Die Set, please refer to the manufacturer's customer service resources. It is important to stay informed about any potential recalls or safety alerts related to your product.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Lee Large Series 2 Die Set for 50 BMG. Always prioritize safety and proper handling to enjoy the full benefits of your reloading equipment.
