Safety Instruction Guide for Lee Large Series 2 Die Sets

Introduction

Thank you for choosing the Lee Large Series 2 Die Set. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before using the die set. Your safety is our priority.

General Safety Guidelines

- Ensure you use the die set only with the Classic Cast Press.
- Always wear appropriate safety gear, such as safety glasses and gloves, while handling and using the die set.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of damage or wear before use.
- If you notice any defects, do not use the die set and contact the manufacturer for support.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Read and understand the instructions included with the die set before attempting to use it.
- Ensure that you are familiar with the reloading process and best practices for safety.
- Do not exceed the recommended load limits for your specific cartridge.
- Always doublecheck your measurements and settings before starting the reloading process.
- Avoid distractions while using the die set to maintain focus and prevent accidents.
- Store the die set in a dry, cool place when not in use to prevent corrosion and damage.

Instructions for Installation and Usage

1. Installation:

- Ensure the Classic Cast Press is securely mounted and stable.
- Attach the fulllength sizing die to the press using the 11/4 X 12 threads.
- Follow the manufacturer's instructions for securing the die in place.
- Insert the bullet seating die into the press following the same procedure.

2. Usage:

- Prepare your workspace by clearing any unnecessary items.
- Check that the shellholder is compatible with your cartridge (note: shellholder is not included).
- Use the sizing die to resize the cartridge case before loading.
- Follow the appropriate steps to seat the bullet using the bullet seating die.
- Always clean the die set after use to maintain its condition.

Disposal Instructions

- Dispose of any unused or damaged components of the die set in accordance with local regulations.
- Do not dispose of in regular household waste; instead, consult your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the contact information provided by the manufacturer. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Lee Large Series 2 Die Set. Thank you for prioritizing safety in your reloading activities.
