Safety Instruction Guide for the Lee Ram Prime .50 BMG

Introduction

Thank you for choosing the Lee Ram Prime .50 BMG. This priming unit is designed specifically for the .50 BMG cartridge and works seamlessly with the Lee Classic Cast Press. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always read and understand the instruction manual before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this manual.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or suspected defect, cease use immediately and consult a professional.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure you are familiar with the operation of the Lee Classic Cast Press before using the Ram Prime.
- Always wear appropriate eye protection when using the priming unit.
- Handle all cartridges with care and follow standard safety practices for ammunition handling.
- Do not use the product in wet or damp environments to prevent electrical hazards.
- Avoid wearing loose clothing or jewelry that may get caught during operation.
- Keep your hands and face clear of the priming area while in use.
- Ensure the workspace is welllit and free of clutter to avoid accidents.

Instructions for Installation and Usage

Installation

1. **Unpack the Product:** Carefully remove the Lee Ram Prime .50 BMG from its packaging.
2. **Inspect the Unit:** Check for any visible damage or missing parts. If any issues are found, do not use the unit.
3. **Attach to Press:**
 - Align the priming unit with the Lee Classic Cast Press.
 - Securely attach the priming unit according to the manufacturer's instructions provided in the press manual.

Usage

1. **Prepare the Workspace:** Ensure your workspace is clean, organized, and welllit.
2. **Load the Cartridge:**
 - Place the .50 BMG cartridge in the designated slot of the priming unit.
 - Ensure it is seated correctly and securely.
3. **Prime the Cartridge:**
 - Operate the Lee Classic Cast Press to prime the cartridge as per the instructions in its manual.
 - Monitor the operation closely to ensure safe and effective priming.
4. **Inspect the Primed Cartridge:** After priming, visually inspect the cartridge to ensure proper seating of the primer.
5. **Store Safely:** After use, store the priming unit and cartridges in a cool, dry place away from children and unauthorized users.

Disposal Instructions

- Dispose of any defective or damaged products according to local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste facilities.
- Ensure that all cartridges and primers are disposed of safely and in accordance with local laws.

Contact Information for Further Support

For any questions or concerns regarding the Lee Ram Prime .50 BMG, please consult your local retailer or authorized service center. Always ensure that you have the latest information regarding product safety and usage.

Thank you for using the Lee Ram Prime .50 BMG. Your safety is our priority, and we appreciate your commitment to following these guidelines for safe usage.
