# Safety Instructions for the Lee 50 BMG Shellholder

## Introduction

Thank you for choosing the Lee 50 BMG Shellholder. This product is designed for use with the Classic Cast Press for the Large Series .50 BMG cartridge. This safety instruction guide provides important information to ensure the safe use of the shellholder, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Inspect the shellholder before each use for any signs of damage or wear.
- Use the shellholder only for its intended purpose.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the Classic Cast Press is properly set up and stable before using the shellholder.
- Do not exceed the recommended cartridge specifications for the shellholder.
- Always wear appropriate safety gear, such as safety glasses, when using reloading equipment.
- Avoid distractions while using the shellholder to maintain focus and safety.
- Never use the shellholder if it appears to be damaged or malfunctioning.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Classic Cast Press is securely mounted on a stable surface.
- Locate the shellholder slot on the press.
- Insert the Lee 50 BMG Shellholder into the slot until it is firmly seated.

### 2. Usage:

- Place the .50 BMG cartridge into the shellholder.
- Ensure that the cartridge is properly aligned and seated in the shellholder.
- Follow the reloading process as outlined in the Classic Cast Press manual.
- After use, remove the shellholder from the press and inspect it for any damage.

## Disposal Instructions

- Dispose of the shellholder in accordance with local regulations.
- Do not dispose of the shellholder in household waste if it is damaged.
- Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with the Lee 50 BMG Shellholder. Thank you for your attention to safety.
