# Safety Instruction Guide for Lee Precision 50 BMG Case Length Gauge & Shellholder

## Introduction

Thank you for choosing the Lee Precision 50 BMG Case Length Gauge & Shellholder. This product is designed to help you trim and square the case mouth of 50 BMG cartridges. To ensure your safety and the safe use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with the Large Cutter and Lock Stud as specified.
- Ensure that your workspace is clean and free of obstructions.
- Wear appropriate safety gear, including safety glasses, when using the product.
- Do not attempt to modify the product in any way.
- Handle sharp tools with care to avoid cuts or injuries.
- Ensure that the gauge is properly secured to prevent slippage during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure your workspace is clean and organized.

### 2. Installation:

- Attach the Case Length Gauge to the Lock Stud securely.
- Ensure that the gauge is aligned properly with the Large Cutter.

### 3. Usage:

- Insert the cartridge case into the gauge.
- Use the Large Cutter to trim the case to the desired length.
- After trimming, check the case mouth to ensure it is square.
- Repeat the process for additional cases as needed.

### 4. PostUse:

- Carefully detach the gauge from the Lock Stud.
- Clean the gauge and cutter after use to maintain performance.

## Disposal Instructions

- Dispose of any damaged or unusable products according to local regulations.

- Recycle packaging materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the Lee Precision 50 BMG Case Length Gauge & Shellholder, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the Lee Precision 50 BMG Case Length Gauge & Shellholder. Your adherence to these guidelines will help ensure a safe and effective experience.
