Safety Instruction Guide for Lee Large Series 3 Die Set, 577/450 MH

Introduction

Thank you for choosing the Lee Large Series 3 Die Set. This guide provides essential safety instructions to ensure the safe use of this product. It is important to read and understand this guide before using the die set to avoid any potential hazards.

General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Ensure that all components are in good condition before use.
- Keep the die set out of reach of children and unauthorized users.
- Regularly check for recalls or safety alerts related to this product on the EU Safety Gate platform.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Cartridge Safety:** Only use the die set with the specified cartridge, 577/450 MartiniHenry (11.43x60R). Using incompatible cartridges can lead to dangerous malfunctions.
- **Personal Protective Equipment:** Always wear appropriate safety gear, such as safety glasses and gloves, when using the die set.
- **Work Environment:** Use the die set in a wellventilated area, free from flammable materials.
- **Handling:** Handle all components with care. Avoid dropping or mishandling the dies, as this can cause damage or injury.
- **Storage:** Store the die set in a safe and dry location, away from children and pets.

Instructions for Installation and Usage

1. Preparation:

- Gather all components of the die set: Full Length Sizing Die, Bullet Seating Die, Factory Crimp Die, shell holder, and powder dipper.
- Ensure your reloading press is compatible with the die set.

2. Installation:

- Securely mount the Full Length Sizing Die in the reloading press according to the manufacturer's guidelines.
- Follow the same process to install the Bullet Seating Die and Factory Crimp Die.

3. Using the Die Set:

◦ Full Length Sizing Die:

- Insert the cartridge case into the shell holder.
- Operate the reloading press to resize the case.

◦ Bullet Seating Die:

- Place a bullet on top of the resized case.
- Adjust the die to achieve the desired seating depth and operate the press to seat the bullet.

- **Factory Crimp Die:**

- Adjust the die to apply a crimp to the bullet.
- Operate the press to complete the crimping process.

4. PostUsage:

- Clean the dies after use to prevent corrosion and maintain their effectiveness.
- Store all components in their designated case to avoid damage.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the Lee Large Series 3 Die Set, please refer to the manufacturer's contact information provided in the product packaging or visit their official website for additional support.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Lee Large Series 3 Die Set. Thank you for your attention to safety!
