Safety Instruction Guide for Lee Large Series 3Die Set, 577 Snider

Introduction

Thank you for choosing the Lee Large Series 3Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure that all components of the die set are in good condition before use.
- Store the die set in a dry, safe place away from children and pets.
- Always wear appropriate safety gear, such as safety glasses and gloves, when reloading ammunition.
- Be aware of your surroundings and ensure that your workspace is free from distractions and hazards.
- Follow all local laws and regulations regarding ammunition reloading and safety.

Specific Safety Precautions for Use

• Hazard Identification:

- Potential hazards include improper handling of reloading components and the risk of accidental discharge.

• Avoiding Hazards:

- Always doublecheck that the firearm is unloaded before beginning any reloading process.
- Use the die set only for the specified cartridge (577 Snider) to prevent malfunction.
- Do not exceed recommended powder charges as indicated in reloading manuals.
- Keep all components, including powder and primers, away from heat sources and open flames.
- Never leave reloading equipment unattended while in use.

• AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18. Ensure adult supervision for younger users.

Instructions for Installation and Usage

1. Installation:

- Securely mount the Full Length Sizing Die in your reloading press according to the manufacturer's instructions.
- Attach the Bullet Seating Die and Factory Crimp Die in the same manner.
- Ensure that the shell holder is compatible with the 577 Snider cartridge and is properly installed in the press.

2. Usage:

- Refer to a reliable reloading manual for specific instructions on powder charges, bullet seating depth, and crimping techniques.
- Use the powder dipper included in the set to measure powder accurately.
- After reloading, visually inspect each round for proper assembly and powder levels.

- Store completed ammunition in a cool, dry place, labeled clearly with the contents.

Disposal Instructions

- Dispose of any unused or expired reloading components according to local regulations.
- Do not dispose of ammunition in regular trash. Consult local authorities for proper disposal methods.
- Ensure that all materials are disposed of in a manner that does not pose a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Lee Large Series 3Die Set, please reach out to the designated EU contact point provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the Lee Large Series 3Die Set. Always prioritize safety and compliance with local laws while enjoying your reloading activities. Thank you for your attention to these important safety measures.
