

COLLET NECK SIZER DIES - LEE PRECISION 30/06 COLLET NECK SIZER DIE ONLY

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies.

Safety Instruction Guide for Lee Precision 30/06 Collet Neck Sizer Die

Introduction

Thank you for choosing the Lee Precision 30/06 Collet Neck Sizer Die. This product is designed to help you create highly accurate ammunition. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle ammunition components with care and respect.
- Keep all products out of reach of children and vulnerable individuals.
- Ensure that you are using the product in a wellventilated area.
- Regularly inspect the die for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay updated on safety recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**

- Always wear safety glasses to protect your eyes from debris.
- Consider using gloves to protect your hands from sharp edges and chemicals.

- **Handling Precautions:**

- Do not use the die if it is damaged or malfunctioning.
- Avoid using excessive force when operating the die.
- Keep fingers and other body parts clear of moving parts during operation.

- **Storage:**

- Store the die in a dry, cool place to prevent rust and damage.
- Ensure that the die is stored in its original packaging or a protective case.

- **Age Restrictions:**

- This product is intended for use by individuals aged 18 and older. Keep out of reach of minors.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that your reloading press is compatible with the Lee Precision 30/06 Collet Neck Sizer Die.
2. Securely mount the die into the press according to the manufacturer's instructions.
3. Adjust the die to the appropriate height for your specific reloading setup.

- **Usage:**

1. Ensure the die is clean and free from any obstructions before use.
2. Insert the case into the die, ensuring it is seated correctly.
3. Pull the handle of the press smoothly to size the case neck.

4. Inspect the sized case for any signs of damage or improper sizing.
5. Repeat the process for each case as needed.

- **PostUse Care:**

- Clean the die after use to remove any residue or debris.
 - Check the die for any signs of wear and replace if necessary.

Disposal Instructions

- Dispose of any damaged or unusable parts in accordance with local regulations.
- Do not dispose of ammunition components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Lee Precision 30/06 Collet Neck Sizer Die, please refer to the manufacturer's contact information provided in the product packaging.

By following these guidelines, you can ensure a safe and effective reloading experience. Thank you for prioritizing safety while using the Lee Precision 30/06 Collet Neck Sizer Die.
