Safety Instruction Guide for the 3Hole Quick Change Turret

Introduction

Thank you for choosing the Lee Aluminum 3Hole Turret. This product is designed for quick changes on the 3Hole Turret Press and Pro 1000. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the turret by following all instructions provided.
- Be aware of potential risks associated with the product, including improper installation and misuse.
- Always keep the product out of reach of children and vulnerable individuals.
- If you experience any issues or have concerns regarding safety, report them to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always inspect the turret for damage before use. Do not use if damaged.
- Ensure that the turret is properly secured to the press before use.
- Never attempt to modify the turret or use it for purposes other than intended.
- Use appropriate personal protective equipment (PPE) such as safety glasses when operating the press.
- Do not overload the turret beyond its specified capacity.
- Maintain a clean and organized workspace to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the turret press is turned off and unplugged before installation.
- Align the 3Hole Turret with the turret press mount.
- Secure the turret in place according to the manufacturer's instructions.
- Doublecheck that the turret is tightly fastened before proceeding.

2. Usage:

- Follow the specific instructions for your turret press model.
- Always refer to the press manual for guidance on operating procedures.
- Make sure to use only compatible components with the 3Hole Turret.
- After each use, clean the turret and the surrounding area to maintain optimal performance.

Disposal Instructions

- Dispose of packaging materials responsibly by recycling where possible.
- If the product is no longer usable, follow local regulations for disposal of metal products.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or customer

service for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
