# AR15 Charging Handle Latch Spring Safety Instructions

## Introduction

Thank you for choosing the AR15 Charging Handle Latch Spring manufactured by CMMG. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only with compatible AR15 Charging Handles.
- Inspect the Charging Handle Latch Spring for any signs of damage or wear before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle the Charging Handle Latch Spring with care to avoid injury.
- Do not modify the Charging Handle Latch Spring in any way, as this may compromise its safety and functionality.
- Use appropriate personal protective equipment (PPE) when installing or handling the spring.
- Ensure that the firearm is unloaded and in a safe condition before installing or replacing the Charging Handle Latch Spring.
- Be aware of potential pinch points during installation to avoid injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools (e.g., screwdriver, pliers) for installation.
- Ensure the firearm is completely unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Remove the existing Charging Handle from the firearm.
- Carefully remove the old Charging Handle Latch Spring, if applicable.
- Install the new AR15 Charging Handle Latch Spring by following these steps:
  - Align the spring with the latch mechanism.
  - Press the spring into place until it is securely fitted.
- Reattach the Charging Handle to the firearm, ensuring it operates smoothly.
- Conduct a function check to confirm proper installation.

### 3. Usage:

- Operate the Charging Handle as intended, ensuring smooth movement.
- Regularly inspect the spring for signs of wear or damage during routine maintenance.

## Disposal Instructions

- Dispose of the AR15 Charging Handle Latch Spring in accordance with local regulations.
- Do not dispose of the spring in regular household waste.

- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AR15 Charging Handle Latch Spring, please refer to the contact information provided by the manufacturer, CMMG. It is important to reach out for assistance if you have questions about the product's safety or usage.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use and handling of this product.
