# Safety Instruction Guide for AR15 MOE SL Lower Parts Kit

## Introduction

Thank you for choosing the AR15 MOE SL Lower Parts Kit without Fire Control Group by Aero Precision. This guide provides essential safety instructions, installation guidelines, and disposal information to ensure safe and effective use of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all components are compatible with your lower receiver.
- Always handle firearms and firearm components with caution and in a safe manner.
- Store the kit in a secure location, out of reach of children and unauthorized users.
- Follow all local, state, and federal laws regarding firearm assembly and ownership.
- Regularly inspect all components for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- When assembling the lower receiver, ensure that the workspace is clean and free of distractions.
- Wear appropriate safety gear, including safety glasses, to protect your eyes during assembly.
- Avoid using excessive force when installing components to prevent damage.
- Do not attempt to modify any components unless you are a qualified gunsmith.
- Keep the area wellventilated when working with lubricants or cleaning agents.

## Instructions for Installation and Usage

### 1. Gather Required Tools:

- Screwdriver set
- Punch set
- Hammer
- Lubricant (if necessary)

### 2. Prepare the Workspace:

- Ensure your workspace is clean and organized.
- Lay out all parts and tools for easy access.

### 3. Install the Magpul MOE SL Grip:

- Align the grip with the lower receiver.
- Secure the grip using the provided screws.
- Ensure it is tightly fastened.

### 4. Install the Magpul MOE SL Trigger Guard:

- Position the trigger guard in place on the lower receiver.
- Insert and tighten the screws to secure it.

### 5. Install the Takedown and Pivot Pins:

- Insert the takedown pin into the designated hole and secure with the detent and spring.
- Repeat the process for the pivot pin.

#### **6. Install the Bolt Catch:**

- Position the bolt catch in the appropriate slot.
- Use the roll pin to secure it in place.

#### **7. Install the Magazine Catch:**

- Insert the magazine catch body into the lower receiver.
- Secure it with the magazine catch button and spring.

#### **8. Final Assembly Checks:**

- Ensure all components are securely installed.
- Perform a function check to verify proper operation.

#### **9. Store Safely:**

- After assembly, store the lower parts kit and any unused components in a secure location.

## **Disposal Instructions**

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of any components in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 MOE SL Lower Parts Kit, please refer to the manufacturer's contact information provided on the packaging or visit the official website for additional resources and support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
