

## **M4E1 LOWER PARTS KITS W/ MOE SL GRIP - AERO PRECISION**

## **M4E1 LOWER PARTS KIT W/ MOE SL GRIP - BLK**

[Home](#)

Aero Precision's line of Lower Parts Kits featuring Magpul™ Grips is designed to be versatile for your needs. Each kit is available with MOE SL® Grip Options in Black and FDE. Buy with our tried and true mil-spec Fire Control Group or save for an upgraded trigger with our MINUS FCG offerings. This M4E1 Lower Parts Kit includes the components needed to assemble an Aero Precision M4E1 Lower Receiver or similar mil-spec lower receiver. It features a Magpul MOE SL® Grip. This kit DOES NOT include a trigger guard as the trigger guard is built in to the M4E1 Lower Receiver. See below for a full list of included components.

# M4E1 Lower Parts Kits Safety Instruction Guide

## Introduction

Thank you for choosing the M4E1 Lower Parts Kit with MOE SL Grip by Aero Precision. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the M4E1 Lower Parts Kit by following all instructions carefully.
- Be aware of potential hazards associated with improper assembly or use of the product.
- Always use the product in accordance with applicable laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Awareness:**
  - Improper assembly may lead to malfunction or injury.
  - Always wear appropriate safety gear when handling tools and components.
- **Age Restrictions:**
  - This product is intended for adult use and should not be handled by individuals under the age of 18.
- **Safe Handling:**
  - Handle all components with care to prevent damage.
  - Avoid exposing parts to extreme temperatures or moisture.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components before starting the assembly.
- Ensure you have a clean and organized workspace.

### 2. Assembly Steps:

- **Install the Magpul MOE SL Grip:**
  - Align the grip with the lower receiver.
  - Secure it using the provided screws.
- **Attach the Takedown and Pivot Pins:**
  - Insert the takedown pin into the designated hole on the lower receiver.
  - Follow with the pivot pin, ensuring both pins are secure.
- **Insert the Bolt Catch:**
  - Place the bolt catch into its position and secure it with the roll pin.
- **Install the Magazine Catch:**
  - Insert the magazine catch body into the lower receiver.
  - Secure with the magazine catch button and spring.
- **Install the Trigger Assembly:**
  - Place the trigger and hammer into the lower receiver, ensuring proper alignment.
  - Insert the trigger and hammer pins, securing them in place.
- **Final Checks:**
  - Verify that all components are securely installed and functioning correctly.

### **3. PostInstallation:**

- Conduct a thorough inspection of the assembled lower receiver.
- Test the functionality of all components before use.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- For any defective or unused components, consult local waste management guidelines to ensure proper disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the M4E1 Lower Parts Kit, please refer to the manufacturer's website or contact customer service for assistance.

By following these safety instructions, you can ensure a safe and effective assembly and usage of your M4E1 Lower Parts Kit. Thank you for your attention to safety.
