# Safety Instruction Guide for AR .308 M5 Lower Parts Kit with MOE SL Grip

## Introduction

Thank you for choosing the AR .308 M5 Lower Parts Kit with MOE SL Grip. This product is designed to help you assemble your Aero Precision M5 Lower Receiver safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all assembly and usage activities are conducted in a safe environment.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) when handling tools and components.
- Follow all local laws and regulations regarding firearm assembly and usage.
- Be aware of potential hazards associated with the assembly and use of firearm parts.

## Specific Safety Precautions for Use

- Inspect all components for damage or defects before use.
- Do not use the kit if any components are missing or appear to be damaged.
- Ensure that you are familiar with the operation of the Aero Precision M5 Lower Receiver before assembly.
- Avoid distractions while working on the assembly.
- Store all components securely when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components before starting the assembly process.
- Ensure that your workspace is clean and organized.

### 2. Assembly Steps

- Begin by identifying all components included in the kit:

- M5 Takedown Pin
- M5 Pivot Pin
- M5 Bolt Catch
- Extended Magazine Catch Button
- Magpul MOE SL Grip in Black
- Takedown/Pivot Detent
- Takedown/Pivot Spring
- Bolt Catch Buffer
- Bolt Catch Roll Pin
- Bolt Catch Spring
- Magazine Catch Body
- Magazine Catch Spring
- Buffer Retainer
- Buffer Retainer Spring
- Safety Selector
- Safety Selector Spring

- Safety Selector Detent
- 440 Set Screw (for threaded takedown pin detent hole)
- Follow the assembly instructions provided by Aero Precision for the M5 Lower Receiver to ensure correct installation of each component.

### 3. Final Checks

- After assembly, doublecheck that all components are securely installed.
- Ensure that the safety selector functions properly before using the firearm.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If any components are damaged and cannot be used, contact your local waste management authority for proper disposal methods.
- Do not dispose of firearm components in regular household waste.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the AR .308 M5 Lower Parts Kit with MOE SL Grip, please contact the manufacturer's customer service or consult the product's official website for more information.

## Conclusion

Safety is paramount when assembling and using firearm components. By following the guidelines and instructions provided in this document, you can ensure a safe and effective assembly of your AR .308 M5 Lower Parts Kit. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety guidelines.
