Safety Instruction Guide for AR .308 M5 Lower Parts Kits with MOE SL Grip

Introduction

Thank you for choosing the AR .308 M5 Lower Parts Kit with MOE SL Grip by Aero Precision. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of this product. Please read this guide carefully before use to understand the precautions necessary for your safety and the safety of others.

General Safety Guidelines

- Ensure that you are legally permitted to purchase and use this product in your jurisdiction.
- Always handle firearms and firearm components with care and in accordance with local laws and regulations.
- Keep all firearm components, including this parts kit, out of reach of children and unauthorized users.
- Always wear appropriate safety gear when handling or assembling firearm components, including eye protection and gloves.
- Check for any visible damage to the parts before installation. Do not use damaged components.
- Follow all manufacturer instructions regarding the assembly and use of the product.
- Be aware of your surroundings when using firearms, ensuring that you are in a safe and controlled environment.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before beginning any assembly or installation of parts.
- Use only the specified components included in the AR .308 M5 Lower Parts Kit. Mixing parts from different manufacturers may lead to malfunctions.
- When installing the safety selector, ensure that it is functioning correctly before using the firearm.
- Regularly inspect your firearm for wear and tear, especially after extensive use or exposure to harsh conditions.
- If you experience any malfunctions or irregularities during use, cease operation immediately and seek professional assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including screwdrivers, pliers, and any additional tools recommended by Aero Precision.
- Ensure that your workspace is clean and welllit.

2. Installation Steps:

- Begin by ensuring that the M5 Lower Receiver is clean and free of debris.
- Install the M5 Takedown Pin and M5 Pivot Pin by aligning them with the designated holes in the receiver.
- Insert the Takedown/Pivot Detent and Takedown/Pivot Spring into their respective locations.
- Install the M5 Bolt Catch by placing it into the designated slot and securing it with the Bolt Catch Buffer, Roll Pin, and Spring.
- Attach the Extended Magazine Catch Button to the Magazine Catch Body and secure it with the Magazine Catch Spring.
- Install the Safety Selector by inserting it into the receiver and ensuring it is properly seated with the Safety Selector Spring and Detent.

- Follow the same procedures for the Trigger assembly, ensuring that the Trigger, Hammer, and associated springs are correctly positioned.
- Doublecheck all components to ensure they are securely installed and functioning properly.

3. PostInstallation:

- After installation, perform a function check to ensure all components are working correctly.
- Store the assembled firearm in a safe, secure location when not in use.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of firearm components in regular household waste. Instead, take them to a designated hazardous waste disposal facility.
- Ensure that all components are rendered inoperable before disposal.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the appropriate contact points provided by Aero Precision. Ensure that you have your product details handy for efficient assistance.

By following the guidelines and instructions outlined in this safety instruction guide, you can help ensure a safe and enjoyable experience with your AR .308 M5 Lower Parts Kit. Always prioritize safety and responsible usage in all firearmrelated activities.
