

LONG LASTING ANTI-FOG KIT - BREAKTHROUGH CLEAN ANTI-FOG GEL KIT

[Optics & Mounting](#) > [Optic Accessories](#) > [Lens Cleaners](#)

An Easy Way to Stop Fog

Don't you hate it when you've got that game animal or those steel plate in sight, when all of a sudden, your optic fogs up? Or when you're at the range on a hot day, and your shooting glasses get cloudy? Stop this annoyance from ruining your shooting streak by treating your glass or lenses with this Breakthrough Clean Technologies Anti-Fog Gel Kit. Each Anti-Fog Gel Kit includes a specially designed brush applicator, which makes applying a thin layer of the gel easy and mess-free. Once the gel is applied, all you have to do is wipe the surface clean with the included lens cloth. The gel is safe for use on optics, lenses and goggles, and it's one of the most effective anti-fogging agents on the market today.

LONG LASTING ANTIFOG KIT BREAKTHROUGH CLEAN ANTIFOG GEL KIT Safety Instructions

Introduction

Thank you for choosing the LONG LASTING ANTIFOG KIT BREAKTHROUGH CLEAN ANTIFOG GEL KIT. This product is designed to keep your optics, lenses, and goggles clear and fogfree, enhancing your shooting experience. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- This product is intended for nonfood use only; do not ingest.
- Be aware of potential hazards associated with improper use, including damage to lenses or personal injury.
- If you experience any adverse reactions, discontinue use immediately and seek medical attention.
- Always store the product out of reach of children and vulnerable individuals.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid contact with eyes. In case of contact, rinse thoroughly with water and seek medical advice if irritation persists.
- Use the product in a wellventilated area to minimize inhalation of vapors.
- Do not apply the gel to damaged or scratched lenses, as this may worsen visibility.
- Keep the product away from heat sources and open flames.
- Do not mix with other cleaning agents or chemicals, as this may cause harmful reactions.

Instructions for Installation and Usage

1. Preparation

- Ensure that the surface of the lenses or optics is clean and free from dirt and debris.
- Gather the AntiFog Gel Kit components: gel, brush applicator, and lens cloth.

2. Application

- Open the AntiFog Gel container carefully.
- Using the specially designed brush applicator, apply a thin, even layer of the gel onto the surface of the lens or optic.
- Avoid overapplying the gel, as a thin layer is sufficient for effective antifogging.

3. Cleaning

- After application, use the included lens cloth to gently wipe the surface clean.
- Ensure that there are no streaks or residue left on the lens.

4. Drying

- Allow the gel to dry completely before using the lenses or optics. This may take a few minutes.

5. Repeat Application

- For optimal performance, reapply the gel as needed, especially in humid or hightemperature

environments.

Disposal Instructions

- Dispose of any unused or expired product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for designated disposal facilities or recycling programs in your area.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's contact details provided on the packaging or the product's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with the LONG LASTING ANTIFOG KIT BREAKTHROUGH CLEAN ANTIFOG GEL KIT. Thank you for your attention to safety.
