# A2 Sight Tool Wrench Safety Instructions

## Introduction

Thank you for choosing the A2 Sight Tool Wrench from Midwest Industries. This tool is designed for precision sight adjustments and is crafted from highquality stressproof steel. To ensure your safety and the optimal performance of the tool, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the A2 Sight Tool Wrench for its intended purpose only.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before each use. Do not use if damaged.
- Ensure that the working area is clean, dry, and welllit.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when using the tool.
- Be cautious of sharp edges and moving parts while using the tool.

## Specific Safety Precautions for Use

- Do not apply excessive force when using the wrench to avoid damaging the sight or the tool itself.
- Use the knurled nonslip handle to maintain a secure grip during operation.
- Avoid using the tool in wet or damp conditions to prevent slippage.
- Ensure that you are in a stable position before making adjustments to the sight.
- If you experience any discomfort or pain while using the tool, stop using it immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe to work on.
- Gather all necessary tools and ensure the work area is clear.

### 2. Using the A2 Sight Tool Wrench:

- Locate the sight adjustment notches on your firearm.
- Align the square notches of the A2 Sight Tool Wrench with the sight adjustment points.
- Apply gentle pressure and turn the wrench to make the necessary adjustments.
- Check the sight alignment frequently to ensure accuracy.

### 3. PostUse Care:

- Clean the tool after each use to remove any debris or residue.
- Store the A2 Sight Tool Wrench in a dry, secure location.
- Avoid exposing the tool to extreme temperatures or humidity.

## Disposal Instructions

- Dispose of the A2 Sight Tool Wrench responsibly at a recycling facility that accepts metal products.
- Do not dispose of the tool in regular household waste.
- Follow local regulations regarding the disposal of tools and metal products.

## **Contact Information for Further Support**

For any inquiries about the A2 Sight Tool Wrench or safety concerns, please refer to the EUbased contact point provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your A2 Sight Tool Wrench. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for choosing Midwest Industries.
