# Safety Instruction Guide for QD Optic Mount for Atlas Bipod

## Introduction

Thank you for choosing the QD Optic Mount for Atlas Bipod by Midwest Industries. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the optic mount for any signs of damage before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify the product in any way that could compromise its safety or performance.
- Report any unsafe conditions or product-related incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the QD Optic Mount with compatible Atlas bipods.
- Ensure that the mount is securely attached to the rail before use.
- Avoid overtightening the adjustment nut, as excessive force may damage the mount or the rail.
- Do not expose the optic mount to extreme temperatures or harsh environmental conditions.
- When not in use, store the product in a dry and safe location to prevent damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and in a safe condition before starting the installation.
- Locate the rail on your firearm where the optic mount will be attached.
- Align the QD Optic Mount with the rail, ensuring that the hole spacing matches.
- Secure the mount by tightening the adjustment nut until it is snug. Do not overtighten.
- Check that the mount is firmly attached by gently pulling on it before use.

### 2. Usage:

- To attach or detach the optic, use the QD lever. Ensure the lever is fully engaged when in use.
- Adjust the tension of the mount as needed using the multifaceted adjustment nut. This can be done without tools.
- Regularly check the mount for any signs of wear or loosening during use.

## Disposal Instructions

- Dispose of the QD Optic Mount in accordance with local regulations regarding electronic and aluminum waste.
- Do not dispose of the product in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the manufacturer's contact

information provided with the product packaging or on the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your experience with the QD Optic Mount for Atlas Bipod!
