SUREFIRE LIGHT MOUNT MLOK SAFETY INSTRUCTION GUIDE

Introduction

Thank you for purchasing the Midwest Industries Surefire Light Mount MLOK. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your product is used safely and effectively. Please read this manual carefully before use.

General Safety Guidelines

- Ensure the light mount is compatible with your specific Surefire light model (M300 or M600 series).
- Always inspect the product for any damage or wear before installation and use.
- Use the product in accordance with the manufacturer's instructions to avoid any risks.
- Keep this product out of reach of children and vulnerable individuals.
- In case of an emergency, report unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure you are in a welllit area and have the necessary tools for installation.
- **Mounting Stability:** Confirm that the mount is securely attached to avoid accidental dislodging during use.
- **Avoid OverTightening:** Do not overtighten screws, as this may damage the product or your firearm.
- **Use with Caution:** Always handle your firearm responsibly and ensure the light mount does not obstruct your line of sight.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may compromise its integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools (e.g., screwdriver, Allen wrench).
- Ensure the mounting surface is clean and free from debris.

2. Installation:

- Align the Surefire Light Mount with the MLOK slots on your firearm.
- Insert the mounting screws into the appropriate holes on the mount.
- Tighten the screws securely, but do not overtighten.

3. Usage:

- Attach your Surefire light to the mount according to the light's specific installation instructions.
- Test the light to ensure it is functioning correctly before relying on it in the field.
- Regularly check that the light remains securely mounted during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum components where available.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's website or customer support.

By following these guidelines and instructions, you can ensure the safe and effective use of your Midwest Industries Surefire Light Mount MLOK. Thank you for your attention to safety, and enjoy your new product.
