MCR Upper Spring Rehab Kit Safety Instruction Guide

Introduction

Thank you for choosing the MCR Upper Spring Rehab Kit from Fightlite Industries. This kit contains all necessary springs to restore optimal performance to your MCR® firearm. Please read this safety instruction guide thoroughly before use to ensure safe handling and operation.

General Safety Guidelines

- Always follow local laws and regulations regarding firearm usage and maintenance.
- Ensure you are in a safe and secure environment when handling the MCR Upper Spring Rehab Kit.
- Store the kit in a dry and cool place, away from children and unauthorized individuals.
- Regularly inspect all components of the kit for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when handling or installing springs.
- Handle all springs with care to avoid injury from sharp edges or sudden release of tension.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- Keep hands and fingers clear of moving parts when operating the firearm after installation.
- Do not attempt to modify or alter any components of the kit unless specifically instructed.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and stored safely.
- Gather all necessary tools for installation, such as screwdrivers and pliers.

2. Installation:

- Follow the manufacturer's instructions for disassembling the MCR®.
- Remove the old springs carefully, noting their positions for reinstallation.
- Install the new springs from the MCR Upper Spring Rehab Kit, ensuring they are positioned correctly.
- Reassemble the firearm according to the manufacturer's guidelines.

3. PostInstallation:

- Conduct a thorough inspection of the firearm to ensure all components are securely in place.
- Test the functionality of the firearm in a safe and controlled environment.
- If any issues arise, do not use the firearm and consult a professional.

Disposal Instructions

- Dispose of old springs and any packaging responsibly.
- Follow local regulations regarding the disposal of firearm components.
- Recycle materials whenever possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MCR Upper Spring Rehab Kit, please reach out to your local dealer or the manufacturer directly. They can provide additional support and information regarding safe usage and maintenance.

Thank you for your attention to these safety instructions. Enjoy using your MCR Upper Spring Rehab Kit responsibly and safely.
