## **0.2250"E-Z Expander Ball**

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Oversize Expander Ball Soft seating of bullets is a technique used by many top competitors to overcome variables such as inconsistent seating depth and seating depth changes due to throat erosion. Soft seating of bolt action rifle ammunition is accomplished by leaving the bullet seated out far enough so it is pushed back into the case as the rifle bolt is closed. Thus, each bullet is started true to the rifling. Note: Maximum pressures should be approached with caution when loading with this method. Oversized Expander Balls are designed to replace the standard Expander on Forster Sizing dies. These larger Expander Balls produce reloads with lighter bullet tension, allowing you to precisely control bullet release.

### **Attributes**

- Name: [FORSTER PRODUCTS, INC. 0.2250"E-Z EXPANDER BALL](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 100203310
- Mfr. No.: E-10-2250
- Cartridge: 22 Caliber
- Diameter (in): 0.225
- Delivery weight: 0.113kg
- Shipping height: 8mm
- Shipping width: 76mm
- Shipping length: 127mm
- UPC: 757253996689

# Safety Instructions for OVERSIZE "EZ" EXPANDER BALLS

## Introduction

Thank you for choosing the OVERSIZE "EZ" EXPANDER BALLS by Forster Products, Inc. This product is designed to enhance your reloading experience by providing precise control over bullet seating. It is essential to follow these safety instructions to ensure safe and effective use.

## General Safety Guidelines

- Always handle ammunition components with care.
- Ensure that your workspace is clean and free from distractions.
- Store all reloading components in a secure location, away from children and pets.
- Familiarize yourself with your reloading equipment and its operation before use.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.

## Specific Safety Precautions for Use

- **Maximum Pressure Caution:** Approach maximum pressures with caution when loading ammunition using the soft seating technique.
- **Inspect Components:** Before use, inspect the expander balls and other reloading components for any signs of damage or wear.
- **Correct Sizing Die Use:** Ensure that the oversized expander balls are used only with Forster sizing dies designed for their use.
- **Bullet Compatibility:** Confirm that the expander balls are compatible with the specific caliber of bullets you are using.
- **Follow Manufacturer Guidelines:** Always adhere to the manufacturer's guidelines for reloading practices and safety.

## Instructions for Installation and Usage

### 1. Installation of Expander Balls:

- Remove the standard expander ball from your Forster sizing die.
- Carefully install the oversized expander ball in its place, ensuring it is securely fastened.
- Check that the expander ball is properly aligned with the die.

### 2. Usage Instructions:

- Set your reloading press according to the manufacturer's specifications.
- Insert the case into the sizing die with the oversized expander ball.
- Carefully operate the press to size the case and expand the neck as needed.
- Monitor the bullet seating depth and adjust as necessary to achieve the desired results.
- Always ensure that the bullet is seated correctly before closing the rifle bolt.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of ammunition components in regular household waste.
- Check with local authorities for safe disposal options for reloading materials.

## Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or contact your local distributor. Ensure that you have your product details handy for any inquiries.

By adhering to these safety instructions, you can enjoy a safe and effective reloading experience with the OVERSIZE "EZ" EXPANDER BALLS. Thank you for your commitment to safety and responsible use.
