

OVERSIZE "E-Z" EXPANDER BALLS - FORSTER PRODUCTS, INC.

0.2640" E-Z EXPANDER BALL

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Oversize Expander Ball Soft seating of bullets is a technique used by many top competitors to overcome variables such as inconsistent seating depth and seating depth changes due to throat erosion. Soft seating of bolt action rifle ammunition is accomplished by leaving the bullet seated out far enough so it is pushed back into the case as the rifle bolt is closed. Thus, each bullet is started true to the rifling. Note: Maximum pressures should be approached with caution when loading with this method. Oversized Expander Balls are designed to replace the standard Expander on Forster Sizing dies. These larger Expander Balls produce reloads with lighter bullet tension, allowing you to precisely control bullet release.

Attributes

- Name: [FORSTER PRODUCTS, INC. 0.2640" E-Z EXPANDER BALL](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 100203314
- Mfr. No.: E-10-2640
- Cartridge: 264 Caliber, 6.5mm
- Diameter (in): 0.264
- Delivery weight: 0.113kg
- Shipping height: 10mm
- Shipping width: 76mm
- Shipping length: 79mm
- UPC: 757253996641

Safety Instruction Guide for OVERSIZE "EZ" EXPANDER BALLS

Introduction

Thank you for choosing the OVERSIZE "EZ" EXPANDER BALLS by Forster Products, Inc. This product is designed to enhance your reloading experience by providing precise control over bullet seating depth. To ensure your safety and the effective use of this product, please read and follow the safety guidelines and instructions outlined in this guide.

General Safety Guidelines

- Ensure that you are familiar with the basic principles of reloading ammunition before using this product.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment and components.
- Store all reloading components, including expander balls, in a secure location out of reach of children and unauthorized individuals.
- Be aware of the maximum pressures when using this product and approach them with caution.
- Regularly check for product recalls or safety alerts on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended maximum pressures when reloading ammunition with the OVERSIZE "EZ" EXPANDER BALLS.
- Ensure that the expander ball is properly installed and secured in the sizing die before use.
- Always inspect the expander ball for damage or wear before each use. Do not use if damaged.
- Maintain a clean and organized workspace to prevent accidents and ensure safety during the reloading process.
- Avoid distractions while reloading to maintain focus and accuracy.

Instructions for Installation and Usage

1. Installation of Expander Ball:

- Ensure the sizing die is clean and free from debris.
- Remove the standard expander ball from the sizing die.
- Insert the OVERSIZE "EZ" EXPANDER BALL into the sizing die, ensuring it is seated properly.
- Secure the expander ball by tightening the set screw or locking mechanism as per the die's instructions.

2. Usage Instructions:

- Adjust the sizing die to the desired depth based on your reloading specifications.
- Insert the cartridge case into the die and close the rifle bolt gently to allow the bullet to be seated correctly.
- Check the bullet seating depth after loading to ensure it meets your specifications.
- Perform regular checks on the expander ball's performance to ensure consistent results.

Disposal Instructions

- Dispose of any damaged or worn expander balls in accordance with local regulations.
- Recycle packaging materials where possible, following your local recycling guidelines.
- Ensure that all reloading components are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the contact information provided by your retailer or visit the manufacturer's website.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the OVERSIZE "EZ" EXPANDER BALLS. Thank you for your commitment to safety and responsible reloading practices.
