## 0.2840" E-Z EXPANDER BALL

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Oversize Expander Ball Soft seating of bullets is a technique used by many top competitors to overcome variables such as inconsistent seating depth and seating depth changes due to throat erosion. Soft seating of bolt action rifle ammunition is accomplished by leaving the bullet seated out far enough so it is pushed back into the case as the rifle bolt is closed. Thus, each bullet is started true to the rifling. Note: Maximum pressures should be approached with caution when loading with this method. Oversized Expander Balls are designed to replace the standard Expander on Forster Sizing dies. These larger Expander Balls produce reloads with lighter bullet tension, allowing you to precisely control bullet release.

### Attributes

- Name: [FORSTER PRODUCTS, INC. 0.2840" E-Z EXPANDER BALL](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 100203317
- Mfr. No.: E-10-2840
- Cartridge: 284 Caliber, 7mm
- Diameter (in): 0.284
- Delivery weight: 0.068kg
- Shipping height: 10mm
- Shipping width: 97mm
- Shipping length: 211mm
- UPC: 757253996610

# Safety Instruction Guide for OVERSIZE "EZ" EXPANDER BALLS

## Introduction

Thank you for choosing the OVERSIZE "EZ" EXPANDER BALLS by Forster Products, Inc. This product is designed to enhance your reloading experience by providing optimal bullet seating for your ammunition. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading equipment before using the expander balls.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading ammunition.
- Keep the work area clean and free from distractions to avoid accidents.
- Store all reloading components, including expander balls, out of reach of children and unauthorized persons.
- Regularly inspect your reloading equipment for wear and damage to ensure safe operation.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper use of the expander balls can lead to inconsistent bullet seating and potential firearm malfunctions.
  - Overloading ammunition can create dangerous pressure levels, leading to firearm damage or personal injury.
- **Avoiding Hazards:**
  - Always follow the manufacturer's recommended load data and guidelines when using the expander balls.
  - Ensure that the bullet is seated correctly and that the expander ball is compatible with your specific sizing die.
  - Do not exceed the maximum pressure limits specified for your ammunition.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the standard expander ball from your Forster sizing die.
- Carefully install the OVERSIZE "EZ" EXPANDER BALL by threading it into the die until it is secure.
- Ensure that the expander ball is properly aligned and that there are no obstructions in the die.

### 2. Usage:

- Prepare your cases and bullets according to standard reloading procedures.
- Adjust the sizing die as needed to achieve the desired bullet seating depth.
- When loading, ensure that the bullet is seated out far enough to allow for proper engagement with the expander ball.
- Close the rifle bolt gently to push the bullet back into the case, ensuring that it is started true to the rifling.
- Monitor the ammunition for consistent performance and adjust your reloading process as necessary.

## **Disposal Instructions**

- Dispose of any used or damaged expander balls and reloading components in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the contact information provided on the packaging or visit the manufacturer's website. Always ensure that you have the latest information regarding recalls and safety updates.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy your reloading experience with the OVERSIZE "EZ" EXPANDER BALLS.
