## 0.3080" E-Z EXPANDER BALL

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Oversize Expander Ball Soft seating of bullets is a technique used by many top competitors to overcome variables such as inconsistent seating depth and seating depth changes due to throat erosion. Soft seating of bolt action rifle ammunition is accomplished by leaving the bullet seated out far enough so it is pushed back into the case as the rifle bolt is closed. Thus, each bullet is started true to the rifling. Note: Maximum pressures should be approached with caution when loading with this method. Oversized Expander Balls are designed to replace the standard Expander on Forster Sizing dies. These larger Expander Balls produce reloads with lighter bullet tension, allowing you to precisely control bullet release.

### Attributes

- Name: [FORSTER PRODUCTS, INC. 0.3080" E-Z EXPANDER BALL](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 100203320
- Mfr. No.: E-10-3080
- Cartridge: 30 Caliber
- Diameter (in): 0.308
- Delivery weight: 0.091kg
- Shipping height: 8mm
- Shipping width: 74mm
- Shipping length: 94mm
- UPC: 757253996580

# Safety Instruction Guide for OVERSIZE "EZ" EXPANDER BALLS

## Introduction

Thank you for choosing the OVERSIZE "EZ" EXPANDER BALLS from Forster Products, Inc. This product is designed to enhance your reloading experience by providing precise bullet control. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's guidelines.
- Be aware of potential hazards associated with reloading ammunition, including but not limited to:
  - Inconsistent bullet seating depth
  - Maximum pressure limits
- Use protective gear, including safety glasses, when reloading to prevent injury.
- Keep the product and all reloading materials out of reach of children and vulnerable individuals.
- Regularly check for product recalls or safety updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Maximum Pressure:** When using the OVERSIZE "EZ" EXPANDER BALLS, approach maximum pressures with caution.
- **Bullet Seating:** Ensure that bullets are seated properly. Improper seating can lead to dangerous pressure levels.
- **Reloading Environment:** Conduct reloading activities in a wellventilated area to avoid inhalation of any potentially harmful substances.
- **Equipment Maintenance:** Regularly inspect your reloading equipment, including sizing dies and expander balls, for wear and tear.
- **Training:** If you are inexperienced in reloading, seek guidance from experienced reloaders or take a reloading safety course.

## Instructions for Installation and Usage

### 1. Installation of the Expander Ball:

- Remove the standard expander from your Forster sizing die.
- Carefully install the OVERSIZE "EZ" EXPANDER BALL by following the die manufacturer's instructions.
- Ensure that it is securely fastened before use.

### 2. Usage Guidelines:

- Set the bullet seating depth according to your specific requirements.
- Load the ammunition with the bullet seated out far enough to allow for soft seating.
- Close the rifle bolt gently to ensure that each bullet is started true to the rifling.
- Monitor the ammunition for any signs of excessive pressure during firing.

### 3. PostUsage:

- After reloading, store your ammunition in a safe and dry place.
- Clean your reloading equipment after use to maintain optimal performance.

## **Disposal Instructions**

- Dispose of any unused or damaged reloading components according to local regulations.
- Do not dispose of ammunition in regular waste. Follow your local hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's website or customer service resources. Always ensure you have access to the latest safety information and product updates.

By following these guidelines, you can ensure a safer reloading experience with the OVERSIZE "EZ" EXPANDER BALLS. Thank you for your attention to safety and for choosing our product.
