

OVERSIZE "E-Z" EXPANDER BALLS - FORSTER PRODUCTS, INC.

0.3085" E-Z EXPANDER BALL

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Oversize Expander Ball Soft seating of bullets is a technique used by many top competitors to overcome variables such as inconsistent seating depth and seating depth changes due to throat erosion. Soft seating of bolt action rifle ammunition is accomplished by leaving the bullet seated out far enough so it is pushed back into the case as the rifle bolt is closed. Thus, each bullet is started true to the rifling. Note: Maximum pressures should be approached with caution when loading with this method. Oversized Expander Balls are designed to replace the standard Expander on Forster Sizing dies. These larger Expander Balls produce reloads with lighter bullet tension, allowing you to precisely control bullet release.

Attributes

- Name: [FORSTER PRODUCTS, INC. 0.3085" E-Z EXPANDER BALL](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 100203321
- Mfr. No.: E-10-3085
- Cartridge: 30 Caliber
- Diameter (in): 0.3085
- Delivery weight: 0.003kg
- Shipping height: 3mm
- Shipping width: 51mm
- Shipping length: 76mm
- UPC: 757253996573

OVERSIZE "EZ" EXPANDER BALLS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the OVERSIZE "EZ" EXPANDER BALLS from Forster Products, Inc. This product is designed to enhance the precision of your reloading process. Please read this safety instruction guide carefully to ensure safe and effective use of the expander balls.

General Safety Guidelines

- Ensure safe handling of all reloading components.
- Always work in a wellventilated area.
- Keep all reloading components out of reach of children.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Regularly inspect all equipment for wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the expander balls can lead to inconsistent bullet seating, which may affect accuracy.
 - Maximum pressures should be approached with caution; always refer to reliable reloading manuals for guidance.
- **Avoiding Hazards:**
 - Make sure the expander ball is properly installed before use.
 - Do not exceed recommended bullet seating depths.
 - Ensure that the expander ball is compatible with your specific Forster Sizing die.
- **Age and AudienceSpecific Warnings:**
 - This product is intended for use by adults only. Keep out of reach of children and inexperienced individuals.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged.
- Remove the standard expander ball from your Forster Sizing die.
- Carefully install the OVERSIZE "EZ" EXPANDER BALL by following these steps:
 - Align the expander ball with the sizing die.
 - Securely fasten it into place according to the manufacturer's instructions.
- Doublecheck that the expander ball is seated correctly before proceeding.

2. Usage:

- Set your reloading die for the appropriate cartridge size.
- Insert the case into the reloading press.
- With the bullet seated out far enough, close the rifle bolt to push the bullet back into the case.
- Monitor the tension of the bullet as you reload to ensure consistent results.
- Regularly check your reloaded ammunition for accuracy and safety.

Disposal Instructions

- Dispose of any damaged or worn expander balls and reloading components in accordance with local regulations.
- Do not throw reloading components in regular trash; check for recycling options or hazardous waste disposal facilities.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Note: Always stay informed about product recalls and safety updates through the EU Safety Gate platform. Report any unsafe products or incidents to the appropriate authorities to help ensure consumer safety.

Thank you for prioritizing safety while using the OVERSIZE "EZ" EXPANDER BALLS. Your careful attention to these guidelines contributes to a safer reloading experience.
